The Way Of The Shepherd:

The Way of the Shepherd Kevin Leman, William Pentak, 2004 A businessman shares the seven secrets he learned long ago that while ancient in origin are applicable in today's fast paced world *The Way of the Shepherd* Kevin Leman, William Pentak, 2009-05-26 Discover a fresh perspective on the art of leading in Dr Kevin Leman's story about a young reporter who lands the meeting of a lifetime and walks away with the keys to exceptional leadership The Way of the Shepherd points you beyond dated trends and out of touch management techniques to the strategies that will make you a truly outstanding leader When William Pentak had the once in a lifetime opportunity to interview Ted McBride one of the most respected CEOs in America he was shocked by what McBride was willing to share McBride taught him the seven secrets he inherited long ago from his mentor an eccentric but brilliant professor who passed on these time tested management principles that while ancient in their origin are still applicable in today's fast paced high tech world Throughout The Way of the Shepherd you'll learn how to infuse your work with meaning no matter your role title industry or the size of your team Uncover the tried and true best practices for how to engage energize and ignite your workforce by Getting to know your team one person at a time Relentlessly communicating your values and your mission Defining the cause for your people and showing them where they fit in Having a heart for the people that you're leading Understanding that great leadership isn't just professional it's personal If you're ready to transform your team create a culture of belonging and truly learn to lead by example it's time to discover The Way of the Shepherd **Summary of Kevin Leman & William Pentak's The Way of the Shepherd** Everest Media, 2022-07-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The seven principles of leadership taught to McBride by his professor Dr Jack Neumann had a profound impact on him They unlocked more of the secrets about becoming a great leader than any other principle or program he'd ever encountered 2 I landed the position at General Technologies and I was excited about it I was scared to be a manager though because I had never supervised anyone before I asked my mentor Dr Neumann for help He agreed to give me his Saturdays to help me learn how to manage people 3 I stood on the corner of Speedway and Inner Campus Drive wondering if I wasn't the dumbest MBA on campus I had my job after all But I was curious about Dr Neumann's sheep ranch so I went with him 4 The first lesson in managing people is to recognize that people are not sheep They have feelings and they need to be treated with respect **Summary of The Way of the Shepherd** SellWave Audio, 2025-10-28 When William Pentak was granted the rare chance to interview Ted McBride one of America's most admired CEOs he didn't expect the encounter to change his understanding of leadership During their conversation McBride revealed seven powerful lessons he had once learned from his own mentor an unconventional but brilliant professor whose ancient yet timeless management principles continue to hold true in today's rapidly evolving world The Way of the Shepherd explores how to lead with purpose and compassion showing that great leadership is not about authority but about connection and care Through McBride's story readers uncover how to

bring meaning into their work regardless of title position or industry The book reveals how true leaders build strong teams by knowing each person individually communicating values and mission with unwavering consistency and helping people see their place within a shared vision At its core the book is a reminder that leadership is as much about the heart as it is about strategy By cultivating trust belonging and authenticity leaders can inspire their teams to achieve extraordinary results For anyone seeking to energize their organization strengthen relationships and lead with integrity *The Way of the Shepherd* offers a guiding path toward leadership that transforms both people and purpose **The Way of the Shepherd** Danny Davis,2024-09-27 *The Way of the Shepherd* ,1963 A young boy learns the trade of the shepherd and at the same time gains deeper understanding of the twenty third psalm *The Way of Prophetic Leadership* Jennifer Campbell,2015-06-01 This book seeks to address both the bewilderment and desire for prophetic visionary leadership in the contemporary church by a discussion of two significant revivals of the 1600s the English Nonconformist Quakers and the Protestant French Huguenots How can prophetic vision be incorporated successfully into the ministry of the church Campbell argues that the mission of the apostle evangelist pastor and teacher is to be prophetically inspired and led in every way by the union of the Word the Person of Jesus Christ and the Person of the Holy Spirit Publisher **The Way of the Dragon or the Way of the Lamb** Jamin Goggin,Kyle Strobel,2021-08-31 Rediscover the wisdom of the cross and the power that truly sets you free Pastor Jamin Goggin and theology professor Kyle Strobel invite you on a journey to uncover Jesus seemingly contradictory way to power weakness Why do so many rock star pastors implode under the spotlight How have so many Christian leaders and institutions been lured by toxic and abusive power Why are so many Christians tempted to chase worldly success and status Because according to Jamin Goggin and Kyle Strobel rather than seeking kingdom power embodied by Jesus our churches and leaders have embraced a form of power that is antithetical to the cross In *The Way of the Dragon or the Way of the Lamb* Goggin and Strobel help you see a different kind of leadership a richly biblical vision of power through weakness This revised and updated edition also features a brand new chapter for those who ve been impacted by toxic and abusive power Join the authors on a journey to gather wisdom from great sages of the faith such as J I Packer Dallas Willard Marva Dawn John Perkins James Houston Eugene Peterson As you listen in on their conversations you will rediscover the wisdom of the cross and the power that truly sets us free *The Way of the Dragon or the Way of the Lamb* will not only shape your leadership and your ministry but it will also shape your soul and reorient you to the way of Jesus *The Way of the Shepherd. A Story of the Twenty-third Psalm. Written and Illustrated by Nora S. Unwin* Nora Spicer UNWIN,1964 [The Sunday at Home](#) ,1896 *The Way of the LORD in the Book of Isaiah* Bo H. Lim,2010-05-13 What is the way of the LORD in the book of Isaiah Many scholars have adopted Walter Zimmerli s proposal that the way in Second Isaiah is a literal and physical highway extending from Babylon to Jerusalem only to be reinterpreted as a spiritual metaphorical and pious way of living in Third Isaiah This book will properly define each mention of the way in Isaiah as well as provide a coherent

interpretation of this theme's theological significance within the book *The way of the LORD* is initially conceived of in the 1st half of the book as a highway leading to Zion common to both the dispersed Israelites as well as the nations In Isaiah Chs 34-35 provide a paradigm of what this way will entail and its theological significance
