Sharing the Wisdom of Time Pope Francis and Friends, 2021-04-01

Christmas Day 2021 sees the release of a Netflix series *Stories of a Generation* with Pope Francis based on this book. Pope Francis views elders as reservoirs of wisdom and historical memory and believes their insights will offer future generations much needed understanding and direction. More than 250 people were interviewed and Loyola Press sent a collection of stories to the Vatican. These encompassed universal themes of love, loss, survival, hope, peace in the face of unimaginable tragedy, and above all, faith. Pope Francis received every story, prayed over them, and responded with sensitivity and grace to 31 of the stories and the issues they raise. In his Preface, Pope Francis lays out his reasons for this collection of wisdom stories and the movement he hopes it inspires. He also contributes as a fellow elder, offering a story from his own life at the start of each chapter. And in his own wise and compassionate way, he serves as a spiritual shepherd, commenting on dozens of heartfelt stories.
