## The ULTIMATE CONSPECTUS

INDIVIDUAL MUSLIMS are required to learn the rulings for anything they do in their daily lives. Most Muslims today trace their understanding of law back to schools founded by well-known Imāms, who themselves trace their understanding back to the Prophet ﷺ. This body of Islamic law allows one to carry out what one has been ordered to do while avoiding what one has been ordered to avoid, which results in happiness now and in the Afterlife.

One of the first texts students of the Shāfi‘ī school of law read is Abū Shujā‘ah al-Asfahānī’s introduction to classical Islamic law. This enduring classic covers the full range of basic topics within the Shāfi‘ī school of law. The present work includes a complete translation of Abū Shujā‘ah’s conspectus, along with the full Arabic text and notes to point out where later jurists have differed from the author, Imām al-Nawawī’s preferences, and minor clarifications and explanations.

—From the preface

## **The Accessible Conspectus**

Steven (Musa) Furber,Abu Shuja al-Asfahani,2016-05-01 For centuries Abu Shuja al Asfahani s legal primer Matn al Ghayat wa l Taqrib The Ultimate Conspectus has been a standard text for introducing students of the Shafi school of Islamic law to the full range of basic legal issues Students will often start their studies by reading it from a basic commentary with their instructor Many students will read it again from more advanced commentaries as they progress in their mastery of the subject This volume presents an amiable commentary that makes Abu Shuja s primer accessible to new students It uses contemporary language and examples to help readers build a sound foundation in Islamic law The Accessible Conspectus is a perfect companion to The Ultimate Conspectus

## **The Dread Heights** Basit Kareem Iqbal,2025-09-02 Muslim charities and

community organizations have assumed a significant role in refugee support since the Syrian catastrophe in Jordan and Canada as elsewhere they deliver food aid house orphans and organize remedial education But Islam is more than just a resource for humanitarian projects The Dread Heights details how the Islamic tradition guides refugees relief workers and religious scholars in a world of brutal sieges and mass displacement Through an ethnography of religious imagination and theological argumentation Iqbal demonstrates what is at stake beyond secular frames for migration and relief Even as refugees become objects of humanitarian concern suspended between national orders The Dread Heights brings another suspension into view a form of life whose gestures are illuminated by the Quranic figure of the Heights Iqbal s ethnography pursues an unsentimental lucidity across the search for refuge the trials of creational existence and the ultimately enigmatic divine decree In the shadow of war beyond humanitarian order Islam offers an orientation to the devastation of the present
