Thoth's instrument to deliver the teachings in a form humanity could use. In this initiatic guide to temple building on the spiritual and physical planes, Normandi Ellis and Nicki Scully explain how to create a communal spiritual structure for connecting with the ancient Egyptian pantheon as well as how to consecrate yourself and become a vessel suitable for divine wisdom and a home for your personal gods. The authors detail the construction, shamanic visioning, and ritual consecration of a Moon Temple dedicated to Thoth. They explore teachings that help you develop relationships with the Egyptian neteru and realize your place within the family of the Egyptian pantheon. They guide you as you create your inner heart temple, the adytum, a safe place in which to receive guidance and access your higher spiritual bodies and oracular gifts. They provide shamanic journeys and initiations on ascension, shamanic death and renewal, soul retrieval, and healing multidimensional realities and more. By creating a sacred temple within and without, we each can take part in the union of Isis and Thoth and restore the magic of the Egyptian mysteries to our time.

Sacred Retreat Pia Orleane, 2017-09-12. Restoring our biological cycles to heal ourselves, our culture, and our planet. 2017 Nautilus Gold Award. Shows how just like the tides and the moon phases, both women and men have biological cycles of growth and renewal necessary for healthy bodies and minds. Explains how the seclusion of women during menstruation and of men during vision quests offers a cleansing process for body and mind to awaken innate creativity and sensitivity, re-attune us with the deeper rhythms of the body and nature, and restore harmony between the divine feminine and divine masculine. Reveals how the need for sacred retreat was forgotten when the divine feminine was suppressed by patriarchal culture. All of life is interwoven into a living system of cycles from Earth's seasons to the enzymatic pathways that provide energy to a cell. Waxing and waning from times of growth to times of rest, renewal, and healing cycles map the most auspicious time for everything in life. Both women and men have biological cycles of active growth and quiet renewal led by our hormones. By understanding how everything in life moves in cycles, you can become more aware of and comfortable with your own cyclic nature, something that has been forgotten by the modern world's linear views of time. Drawing on the wisdom of ancient cultures, the author's natural cycles of life and her own groundbreaking research, Pia Orleane, Ph.D., offers a template for how we can restore balance to our emotions and health, ease tensions between the sexes, and heal our fractured culture by honoring divine feminine consciousness and embracing natural cycles, including our innate need for rest and retreat. She explains the biology of how our bodies operate by hormones released in cycles and shows how balanced hormones help eliminate anger, depression, insomnia, anxiety, and fatigue. Exploring ancient traditions and rituals surrounding blood and sacred retreat, she explains how the seclusion of women during menstruation and of men during vision quests offered a cleansing process for body and mind, alone time to clear suppressed emotions, awaken our innate creativity and sensitivity, re-attune us with the deeper rhythms of the body and nature, and restore harmony between the genders and balance between the divine feminine and masculine. Outlining the sacred retreat process, the author explores dream cycles, divine sexuality, and practices for reconnecting to nature, increasing creativity, and intuition.

and clearing suppressed emotions She also looks at the benefits for women and men of separate sleeping during menstruation Through this wisdom we can restore our natural cycles allow the divine feminine to once again blossom alongside the divine masculine and with the return of balance heal our world and our hearts **Bringers of the Dawn** Barbara Marciniak,1992-12-01 Compiled from more than four hundred hours of channeling by Barbara Marciniak Bringers of the Dawn imparts to us the wisdom of the Pleiadians a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution Master storytellers and humorists they advise us to become media free to work in teams and to eliminate the words should and try from our vocabularies We learn how to go beyond fear how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers and who our gods are Startling intense intelligent and controversial these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious and unconscious By remembering that we are Family of Light that we share an ancient ancestry with the universe around us we become bringers of the dawn consciously creating a new reality a new Earth **Astrology and the Rising of Kundalini** Barbara Hand Clow,2013-09-02 Revised and updated edition of the classic astrology text on predicting and navigating life crises Provides charts for the transits of Saturn Uranus and Chiron now updated through 2050 to predict your personal growth cycles and timing of kundalini rising Shares tools to cope with the intensity of spiritual emergency and direct the kundalini energy released during planetary passages Includes a new preface by the author reflecting on 20 years of success stories since the book s initial publication No astrological chart needed to use this book In this updated edition of Liquid Light of Sex renowned astrologer and spiritual teacher Barbara Hand Clow explores the connection between life crises in your 30s 40s and 50s and the key astrological passages of Saturn Uranus and Chiron in your birth chart She explains how kundalini energy the liquid light of sex that lies at the base of the spine is activated during these planetary transits rising through the chakras and triggering the process of spiritual emergency and in many cases a cascade of health emotional and relationship problems as well as extreme anxiety She shows that by understanding these astrological transits you can be prepared for turbulent periods and successfully navigate them by creatively channeling the spiritual fire of kundalini Clow provides astrological charts now updated through 2050 for those born between 1930 and 2000 detailing the cycles of Saturn Uranus and Chiron so you do not need your birth chart to use this book She explains how to use the charts to predict the onset and completion of each kundalini activation and corresponding crisis She shares tools for individuals and therapists to cope with the intensity of spiritual emergency and too much fire energy unblock the chakras and integrate the power of kundalini for physical emotional and spiritual growth Reflecting on 20 years of success stories since the book s initial publication Clow presents a road map for using celestial cycles to navigate positively and productively in times of great life change **Revelations of the Ruby Crystal** Barbara Hand Clow,2015-07-17 An initiatic novel based on ancient teachings and astrological wisdom from bestselling author Barbara Hand
