Dahlia Rose

Swat Chronicles 2 One Tough Cop:

One Tough Cop Dahlia Rose, Maxwell Kincaid had worked in the NYPD long enough that most things didn't surprise him anymore. The detective who preferred to work alone admitted to himself long ago that he was jaded. So when he was called out to a hostage situation at a women's shelter in the middle of the night, it was another job that kept him out of his warm bed. He heard the sobs behind the maniacal screaming of the hostage taker and the woman begging for help, pleading for the life of her unborn child that fell on deaf ears. This struck a chord in him, and Max was determined to save everyone, to save her. In the midst of the chaos after storming the house, Max delivered the baby of Nicole Henry. From the time he looked into Nicole's eyes and the face of the newborn, something shifted in his life. He wanted to show her that every man wasn't cruel and used their hands to abuse. Max was never one to believe in love at first sight, but the feeling hit him like a lightning bolt. Nicole and the baby needed tender loving care, and he was the man to give them the love they needed. *One Fine Christmas* Dahlia Rose, 2021-11-30. Willamina Willa Bernard, a wealthy young widow, was in the center of every man in London's eye. Why? She was the sole owner of the Bernard Holdings within London and sat on a large fortune. Marriage was offered not for love but to control her life and fortune. They would fail because Willa was too smart for that. Christmas time was always a dull affair; she was alone with just a small trusted staff in the mansion. There were no parties where she was invited, no friends to share gifts. Instead, she watched the merry masses outside her window and longed not to feel so alone. Until her dead husband's best friend came home, and then her world was turned upside down. He offered her gentle touches and brought a sense of magic into her home. Could Willa trust her feelings, or was this another attempt to control her using her heart as leverage? Sir Gideon Aldrich, explorer and entrepreneur, came home to London to find his friend had died, and now his widow was left alone. Instantly smitten by Willa, he wanted to protect her, especially after hearing how they talked about deceiving her and the nefarious plans that were afoot. He was charmed by her wit and intelligence while she tried to make good changes within her factories. But Gideon also wanted to see her smile, hear her laugh, and watch the wariness fade from her eyes. He vowed to show her his affection through the holidays and while ensuring she was safe. Willa needed more than just love; she needed to trust, to believe that there was someone who loved her unconditionally. Willa would have that and more because this one fine Christmas, he planned to make her his forever. **Lola and the Four Calling Byrds** Dahlia Rose, 2019-12-16. An impulsive wish leads to pleasures Lola Reid never dreamed of. Merry Christmas to her, indeed. Lola Reid is known as being tough in a man's world. She has a reputation that men couldn't handle. She was a girl from Bedstuy, Brooklyn, grew up to be a powerful woman in a corner office. So she wasn't backing down for anyone. Too bad her family treats her like a cash cow and shows her so much disdain. From a brother who always calls her for cash to a family that berates her for not conforming to their way of thinking, she's already to be done with this.
