The Medium's Possession Elle

Beauregard,2021-02-23 Love like ghosts doesn't always play by the rules Scott fell for Cecily the first time he heard her voice There's only one problem she's his brother's girlfriend's little sister Crossing that line risks more than feelings it risks the newfound balance he's fought for and a secret he's been keeping for too long A year after the death of her boyfriend Cecily is ready to re-launch her life right after she moves her over-worked sister Zander back to Seattle The only trouble is Scott the sexy tattoo artist brother of Zander's boyfriend who is making the move too Crushing on Scott while her ex literally haunts her is awkward and apparently unavoidable Ah life as a medium When Zander's behavior becomes erratic they blame the pressure of the move until she spirals in ways more supernatural than stressed Cecily and Scott band together navigating their attraction while helping to save Zander from the hidden darkness consuming her But to banish the evil they need a witch and she might not make it in time The Medium's Possession is a friends-to-lovers paranormal romance set in New Orleans Louisiana and the second book in The Cloaked Series It's a love letter to millennials who grew up reading plot-driven YA fantasies waiting for the main characters to finally kiss Now we've grown up and we're ready for the adults to save the world while getting their happy endings *Poets & Writers*, 1999 *The Meaning of Myth in Uncertain Times* Evelien Bracke,2025-12-29 This book examines how ancient mythology forms part of the stories we tell ourselves about today's uncertain times not only in popular culture but also in sociocultural and political debates It particularly explores the ways in which classical myths shape how our modern secular societies think about the interconnected geopolitical technological and ecological issues we are facing and our potential futures Classical myths like those of Achilles Medea and Odysseus are everywhere from films and novels to social media and games But how and why are we still fascinated with them particularly now Can these strange and often painful stories from societies so radically different from our own offer us genuine insights today This expanded English edition of Evelien Bracke's award-winning Dutch book *Leidraad door het labyrint* explores how and why Greek and Roman myths despite their ancient origins are surprisingly meaningful in these times of uncertainty Bracke offers a contextualization and literary analysis of classical mythology looking at both texts and visual media This allows readers to gain a better understanding of how people draw inspiration from the past in their attempt to create a better future and how these stories provide both collective and individual guidance in navigating the turbulent 21st century The Meaning of Myth in Uncertain Times is suitable for students scholars teachers and general readers interested in mythology and ancient Greek and Roman history and culture providing insights that are relevant to the challenges we all face today
