Data Exploration and Preparation with BigQuery Mike Kahn, 2023-11-29 Leverage BigQuery to understand and prepare your data to ensure that it's accurate, reliable and ready for analysis and modeling. Key Features: Use mock datasets to explore data with the BigQuery web UI, bq CLI and BigQuery API in the Cloud console. Master optimization techniques for storage and query performance in BigQuery. Engage with case studies on data exploration and preparation for advertising, transportation and customer support data. Purchase of the print or Kindle book includes a free PDF eBook. Book Description: Data professionals encounter a multitude of challenges such as handling large volumes of data, dealing with data silos and the lack of appropriate tools. Datasets often arrive in different conditions and formats, demanding considerable time from analysts, engineers and scientists to process and uncover insights. The complexity of the data life cycle often hinders teams and organizations from extracting the desired value from their data assets. *Data Exploration and Preparation with BigQuery* offers a holistic solution to these challenges. The book begins with the basics of BigQuery while covering the fundamentals of data exploration and preparation. It then progresses to demonstrate how to use BigQuery for these tasks and explores the array of big data tools at your disposal within the Google Cloud ecosystem. The book doesn't merely offer theoretical insights; it's a hands-on companion that walks you through properly structuring your tables for query efficiency and ensures adherence to data preparation best practices. You'll also learn when to use Dataflow, BigQuery and Dataprep for ETL and ELT workflows. The book will skillfully guide you through various case studies demonstrating how BigQuery can be used to solve real-world data problems. By the end of this book, you'll have mastered the use of SQL to explore and prepare datasets in BigQuery, unlocking deeper insights from data. What you will learn: Assess the quality of a dataset and learn best practices for data cleansing. Prepare data for analysis, visualization and machine learning. Explore approaches to data visualization in BigQuery. Apply acquired knowledge to real-life scenarios and design patterns. Set up and organize BigQuery.

resources Use SQL and other tools to navigate datasets Implement best practices to query BigQuery datasets Gain proficiency in using data preparation tools techniques and strategies Who this book is for This book is for data analysts seeking to enhance their data exploration and preparation skills using BigQuery It guides anyone using BigQuery as a data warehouse to extract business insights from large datasets A basic understanding of SQL reporting data modeling and transformations will assist with understanding the topics covered in this book

Google Drive Last 90 Days Introduction

In the digital age, access to information has become easier than ever before. The ability to download Google Drive Last 90 Days has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Google Drive Last 90 Days has opened up a world of possibilities. Downloading Google Drive Last 90 Days provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Google Drive Last 90 Days has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Google Drive Last 90 Days. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Google Drive Last 90 Days. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Google Drive Last 90 Days, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Google Drive Last 90 Days has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
