Teaching Mathematics for Social Justice, Grades K-12 Dr. Kristopher J. Childs, Dr. John W. Staley, 2024-06-05 Your journey to becoming a social justice mathematics educator begins here. Every journey has a beginning a starting point where you take a moment to set your sights on your next destination carefully. Teaching mathematics for social justice TMSJ means reimagining your mathematics classroom in a way that serves more children better as a place that lifts mathematics up as a tool for students to analyze and understand the worlds around them. Celebrate their unique identities and their communities and become agents of change. For any K-12 educator who values these goals, *Teaching Mathematics for Social Justice Grades A Guide for Moving from Mindset to Action* can be the start of a transformational journey. Guiding you in planning, implementing, assessing, and showcasing social justice mathematics lessons and helping children apply their learning beyond the classroom, this book encourages self-reflection on the why of your teaching and examines your own mindset about mathematics. Provides a step-by-step action plan for creating equitable and socially just mathematics classrooms that focus on rich and collaborative mathematics learning. Incorporates interactive reflection prompts, self-assessments, and activities throughout the journey. Describes culturally responsive teaching practices to better respond to the instructional needs of the diverse individuals in your classroom. Offers activities to identify what current events and social issues are important to children and their families. Inspires you to remain steadfast in their journey of growth toward becoming a social justice mathematics educator. Complete with sample lessons, online resources, and practical tools, this guide will empower you to better understand the children in your classroom, leverage their strengths, and make mathematics learning relevant and useful as they use mathematics to address the issues they care about. Start your journey towards becoming a social justice mathematics educator today.

Must-See Websites for Busy Teachers (Must-See Websites), **How to Change** Katy Milkman, 2021-05-04 Wall Street Journal bestseller A welcome revelation. The Financial Times Award-winning Wharton Professor and *Choiceology* podcast host Katy Milkman has devoted her career to the study of behavior change. In this groundbreaking book, Milkman reveals a proven path that can take you from where you are to where you want to be with a foreword from psychologist Angela Duckworth, the best-selling author of *Grit*. Change comes most readily when you understand what's standing between you and success and tailor your solution to that roadblock. If you want to work out more but find exercise difficult and boring, downloading a goal-setting app probably won't help. But what if instead you transformed your workouts so they became a source of pleasure instead of a chore? Turning an uphill battle into a downhill one is the key to success. Drawing on Milkman's original research and the work of her world-renowned scientific collaborators, *How to Change* shares strategic methods for identifying and overcoming common barriers to change such as impulsivity, procrastination, and forgetfulness. Through case studies and engaging stories, you'll learn why timing can be everything when it comes to making a change. How to turn temptation and inertia into assets. That giving advice even if it's about something you're struggling

with can help you achieve more Whether you're a manager coach or teacher aiming to help others change for the better or are struggling to kick start change yourself How to Change offers an invaluable science based blueprint for achieving your goals once and for all **Teaching Children Mathematics**, 1996 *The Software Catalog*, 1986 **Instructor**, 2002
