## Cats and Dogs

Directions: Read about cats and dogs. Then, complete the Venn diagram, telling how they are the same and different.

Cats and dogs are popular pets. Both cats and dogs have fur, and they need food and water every day. Cats are usually quiet and like to climb, while dogs often bark and enjoy running outside. Cats clean themselves by licking their fur, but dogs need people to give them baths. Dogs love being with people all the time, while cats can be left alone for longer periods.

Books are stories and facts written to tell you things and teach you for entertainment. Books are made of pages with words, which are read in libraries, schools, and homes on a screen, or audio. They need to be kept clean and dry, and with covers, and won't be kept when the ink on books can be read anywhere and anytime with what movies have a screen and sometimes sound to hear.
