The Mometrix guide is filled with the critical information you will need in order to do well on your Praxis exam: the concepts, procedures, principles, and vocabulary that the Educational Testing Service (ETS) expects you to have mastered before sitting for your exam. The Students as Learners section covers Classroom Management, Learning Processes, Motivation, Student Development in Elementary Ages. The Instructional Process section covers Communication, Curricular and Instructional Planning, Instructional Practices, Instructional Strategies. The Assessment section covers Assessment, Assessment Tools. The Professional Development, Leadership, and Community section covers Family Involvement, Partnerships and Collaboration, Professional Organizations and Development, Roles, Expectations, Ethics, and Legal Concerns, and much more. Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing but are explained in detail. The Mometrix Praxis study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of Praxis practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth in order to make the principles and reasoning behind it crystal clear. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our Praxis Principles of Learning and Teaching K 6 Praxis PLT 5622 Exam Secrets Study Guide is no exception.
