Vyacheslav Ivanov Poet Critic And Philosopher Yale Russian And East European Publications:

Vyacheslav Ivanov Robert Louis Jackson, Lowry Nelson, 1986 **Russian Literature and the Classics** Peter I. Barta, David H. J. Larmour, Paul Allen Miller, 2013-12-02 Russian Literature and the Classics attempts to fill a gap To date there has been no book length systematic study of the impact of antiquity on Russian literature and culture While by no means claiming to offer a comprehensive approach the authors focus on various aspects of the influence which the Classics have had on Russian literature at particularly significant junctures the beginning of the nineteenth century the age of the great Russian realist novel the Silver Age Stalin s terror the Thaw after 1956 and the period just before the collapse of Soviet society In their introductory essay the editors offer an overview of the Classical Tradition In it they provide an insight into the contrasting ways in which that tradition manifested itself in the literatures of Western Europe and of Russia *The Legacy of Ancient Rome in the Russian Silver Age* Anna Frajlich, 2007-01-01 For poets throughout the world Rome was the world This is particularly true for Russian poets owing to the anagrammatical relation of the words Rome and mir Rome and world The legacy of ancient Rome has always constituted an important component of the Russian cultural consciousness The revitalization of classical scholarship in nineteenth century Russia and new approaches to antiquity prompted many of the Russian Symbolists to seek their inspiration in ancient Rome Vladimir Solovyov Dmitry Merezhkovsky Valery Bryusov Vyacheslav Ivanov Maksimilian Voloshin Vasily Komarovsky and Mikhail Kuzmin all made significant contributions to what is often referred to as the Roman text The Legacy of Ancient Rome in the Russian Silver Age analyzes the forms involved in creating the Roman image and explores its functionality within the given poetic system In addition to the formal analysis the background and the stimulus leading up to the composition of a particular poem are explored as well as allusions to legends myths and Rome s geography and architecture Moreover this study considers the function of the Roman text in Russian Symbolist poetics and the works of the individual poets Finally the relation between the Roman and Petersburg texts of Russian literature is explored since many of the Russian Symbolist poets found in Rome a perfect metaphor for their studies of the city and urban poetry *The Stony Dance* Timothy Langen, 2005-07-22 Widely considered the greatest Russian modernist novel Andrei Bely s Petersburg has until now eluded the critical attention that a book of its caliber merits In The Stony Dance Timothy Langen offers readers a study of Bely s masterpiece unparalleled in its comprehensiveness clarity and inclusion of detail a critical study that is at the same time a meditation on the nature of literary art Thoroughly versed in Russian and European modernism in Bely s biography and writings and in twentieth century literary theory Langen constructs an original analytic scheme for reading Petersburg Guided by Bely s fertile but challenging notions of art and philosophy he analyzes the novel first as an object embodying intentions and essences then as a pattern of signification and events and finally as a dance of gestures that coordinate body and meaning regularity and surprise self and other and author novel and reader The terms are derived from Bely s own writings but they are nuanced with reference to Russian and

European contexts and clarified with reference to philosophy and literary theory Langen shows how Bely invariably challenges his own concepts and patterns thereby creating an unusually demanding and dynamic text In finding an approach to these enriching difficulties this book at long last shows readers a welcoming way into Bely's thought and his masterwork and their place in the complex world of early twentieth century literature

International Newsletter - International Information Centre for Soviet and East European Studies, 1987 Russian Writers of the Silver Age, 1890-1925 Judith E. Kalb, J. Alexander Ogden, I. G. Vishnevet'skiĭ, 2004 The questing experimenting and overstepping of stylistic moral and narrowly rational boundaries that characterized Russian modernist writing were frowned upon during most of the seven decades of Soviet rule Only since the late 1980s have readers had easy access to the literature memoirs and critical writings of the immediately pre Soviet period

MLA International Bibliography of Books and Articles on the Modern Languages and Literatures, 1986 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969

International Newsletter, 1987 **Encyclopedia of the Essay** Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies

The Acmeist Movement in Russian Poetry Justin Doherty, 1995 Acmeism is chiefly known through the three leading Russian poets who participated in the movement Nikolai Gumilev Anna Akhmatova and Osip Mandel'shtam each of whom are discussed here as well as less well known Acmeists

Tolstoy Studies Journal, 1995 **Ecstasy and the Beyond** Julie A. Hansen, 2000 The Models of Space, Time and Vision in V. Nabokov's Fiction Marina Grishakova, 2006 Because of his rejection of socio political engagement Vladimir Nabokov is often regarded as a virtuoso artist of the ivory tower variety aloof from the contemporary march of the minds Marina Grishakova's book however points to the relationship between his narrative techniques and some of the scientific metaphysical and ethical ideas on the inner agenda of the twentieth century It connects Nabokov's handling of time space and perspective in his fiction with the philosophical models constructed by his contemporaries also showing in what ways he may have been ahead of his time

Images of Joyce Clive Hart, 1998 The two volumes of this series contain the proceedings of the Twelfth International James Joyce Symposium held in Monte Carlo in June 1990 under the auspices of the Princess Grace Irish Library and the patronage of H S H Rainer III Sovereign Prince of Monaco The first volume contains general and biographical essays and those dealing with theoretical and linguistic matters sources influences and comparative studies

Dante Studies, with the Annual Report of the Dante Society Dante Society of America, 1984 *Books in Series, 1876-1949* R.R. Bowker Company, 1982 Books in Series, 1985 Vols for 1980

issued in three parts Series Authors and Titles **Russia and the Classics** Zara M. Torlone, 2009-04-23 This important study the first in a new series on Classical Diaspora explores the reception of classical antiquity in Russian poetry with a particular focus on the writings of several significant twentieth century poets Innokentii Annenskii Viacheslav Ivanov Marina Tsvetaeva Osip Mandelshtam and Joseph Brodsky These poets engagement with the classics is analysed within the wider context of Russia s relationship with Greco Roman heritage as a gateway to European culture The earlier phase of the development of classical reception in Russian poetry is traced from Antiokh Kantemir and Mikhailo Lomonosov to Alexander Pushkin Thus the book offers a concise chronology of Russian poetry s self construction as a legitimate European heir to the legacy of Greece and Rome The Russian poetic reception of classical literature has its own distinctive features such as a preoccupation with mythological tragedy and with the reception of Ovid s poetry of exile setting it apart from the traditions and movements associated with Western European classicism This fascinating study combines historicist scholarship with a sophisticated alertness to recent developments in reception theory producing a compelling account of a hitherto neglected aspect of the classical tradition **Keisari satiirikkona ja muita tutkimuksia Euroopan kulttuuriperinnöstä** Hannu K. Riikonen, Hannu Riikonen, 1998 **Subject Guide to Books in Print** , 2001

The Enigmatic Realm of **Vyacheslav Ivanov Poet Critic And Philosopher Yale Russian And East European Publications**: Unleashing the Language is Inner Magic
