## **The World Before a Watching Church**

**David M. Rossi**,2011-09-02 Have you ever wondered about all the different denominations of Christian churches Has it ever bothered you that they all claim Jesus Christ to be the Son of God and yet they rarely ever seem to get along Does it appear to you that the truth of Christianity seems to be just spinning its wheels and the Gospel message has little or no effect on our culture In The World Before A Watching Church Dave Rossi explains why these apparent problems exist in Christianity today and how the universal church the Body of Christ can become unified in doctrine and fulfill its purpose here on Earth

Beginning with the Biblical explanation of the nature and the ruler of the world the principles of Christian living in this world are then examined based upon the relevant Biblical directives A course is then laid out challenging every Christian to become knowledgeable of the unifying doctrines of the Christian faith Scripture God Man and Sin Jesus Christ Salvation The Holy Spirit The End Times But it doesn't stop with just being challenged and learning Believers are urged to apply these truths in every area of life in order to make the biggest impact for Christ in our culture

## **Battle Cry** Jay R. Leach,2016-08-24

**IGNORANCE OF GODS TRUTH IS NO EXCUSE** We are to glorify God and love Him with all our heart soul and mind and love our neighbors as ourselves As believers we are to be conduits for the flow of Gods love through us to other human beings However the Christian Community is greatly hindered corporately and individually because of self love individualism spiritual and biblical illiteracy Many look at the truths of Gods Word in an attitude of utter defeat and unbelief God said this work

would be done in us by His Spirit We can trust Him to complete His work in us because He has promised it see Philippians 1 6 God repeatedly assures us through His Word of the work He has done and is doing in us of His promised provisions for us and of His consistent undying love for us Why not fully yield yourself to Him today *Radical Restoration in the Church* Jay R. Leach, 2015-01-23 ONE GENERATION FROM EXTINCTION There is a drastic shift in the national culture and churches today which if not countered can make Christ extinct in one generation In the midst of this shift many Christians have become confused and are blurring their kingdom mission biblical worldview and life of godliness Meanwhile recent research reflects some 2 billion people in the world who have never heard the saving gospel of Jesus Christ and billions more caught up in false religions In the shift many Christians individually and corporately are failing in their responsibility to pass on the faith wisdom and godly example to the next generation Failure to do so in one generation will remove Christ and Christianity from the next generation s To meet this challenge we must radically restore the faith see Jude 3 for the final hour Restore agape love for God and others in the Church Restore and teach a true biblical worldview in the Church Restore biblical salvation and a daily walk with Christ in the Church Restore total dependence upon the Holy Spirit in the Church The secular worldview secures more Christian casualties daily But by His divine power God has given us all things that pertain to a life of godliness see 2 Peter 1 3 *Has God Spoken?* Hank Hanegraaff, 2011-08-29 Are Christians Guilty of Blind Faith or Is The Bible Really God s Inspired Word Can You Ever Know For Sure Join best selling author Hank Hanegraaff for a stirring defense of the Bible as the Word of God and your only reliable foundation for life In answering the riveting question Has God spoken Hanegraaff uses manuscript evidence archeology predictive prophecy and much more to memorably demonstrate that the Bible is divine rather than merely human in origin Hanegraaff demolishes modern objections to Scripture such as There are more mistakes in manuscript copies of the Bible than there are words in the New Testament The biblical account of King David is no more factual than tales of King Arthur there simply is no evidence in archeology or history for Israel s quintessential king Contemporary prophets are proven 100 percent wrong 100 percent of the time and biblical prophets are just as unreliable Has God Spoken joins its predecessors *The Face That Demonstrates the Farce of Evolution* and *Resurrection* as Hanegraaff s final book in a trilogy that provides complete and compelling answers to the most critical issues facing Christians today *The Gospel of the Christ* Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus
