**The Borderland of the Supernatural** Levi White,1905 *The Life God Honors* Andrew

G. Robbins,2012-02 Discover what it Means to be Truly Spiritual Many Western Christians get sucked into the crippling thinking that a life which God will honor means going through the motions of religious observation without any real attention to the process of character transformation as we follow the example of Christ Still others especially those in the charismatic circles to whom most of this book will address the same circles in which the author spent most of his Christian life seem to believe that a truly spiritual life is one that is marked by ecstatic emotional experiences with only a secondary focus on the

daily task of building one's faith and character down in the trenches of day to day living where emotional highs are often absent. A discussion on the importance of understanding God's work in the day to day might not seem like material noteworthy enough to write a book about. Yet you might be surprised how much emphasis God puts on it and how many Christians are frustrated in their spiritual walks because they fail to recognize how God works in the everyday events of their common day. Andrew G Robbins has been in different facets of ministry since 1993 mostly in the areas of worship leading and teaching. In January 2010 Andrew and his wife Donna launched Blessed Life Fellowship [www.BlessedLifeFellowship.org](http://www.BlessedLifeFellowship.org) a church and ministry devoted to teaching God's people about the goodness of God and His Kingdom principles for living and experiencing God's abundance. A successful businessman and entrepreneur for the last two decades Mr Robbins is also an active writer and has authored numerous books articles and blogs. Andrew and Donna reside in central Indiana and have three children Hannah Luke and Drew.

**Why Not Have It All** Mrs. Bonita Andrea Shelby, 2017-04-10 In *Why Not Have It All* we are shown how best to navigate the turbulent waters of modern life. As a woman this can be both complex and demanding for there has been a sea change in societal mores which has in many instances left us in newly uncharted waters. Bonita Shelby is a woman who has with God's help managed to find her way and wants to act as a beacon to others keeping us off the rocks that might otherwise capsize us. The shifting demands of love, marriage, children, education and employment need not overwhelm us. Indeed when balanced they can form the very pillars of a life of fulfilment through God's favor and grace. *Why Not Have It All* presents a wealth of practical advice for women of all ages that is backed up by scripture and set against a number of compelling biographical glimpses into the life of Bonita herself. Personal and powerful it is a work that is sure to inspire and instruct likeminded readers.

*Word of Faith* Steven Lyn Evans, 2019-08-28 I want to highly recommend Dr Steven Lyn Evans book *Word of Faith* Exposing the Critics Mythology

Dr Douglas J Wingate President and Founder of Life Christian University Florida USA Bishop Steven Evans is clearly the person to write this defense of the *Word of Faith*. I wholeheartedly endorse this book. Bishop Tom Brown *Word of Life* Cathedral Texas USA Factual, brilliant, timely, a masterpiece and must have for every believer. Next to the Holy Bible don't read any other book this year. Revd Melvin Banks International Evangelist England U K The critics of the *Word of Faith* movement have invented a mythology. Within this book their position is shown to be both historically and theologically deficient. Often the critics advocate for the heresy of cessationism. They have peddled their mythology and divided the church. It's time for truth. Benefits of this book for you An insightful defense of the *Word of Faith* movement. Exposes the critics mythology. Exposes the heresy of cessationism. Exposes the limitations of western theology. Theological and historical truth about the *Word of Faith*. Answer the critics. Walk in the miraculous power of God. Positive Bible believing faith inspiring.

*Supernatural, the Occult, and the Bible* Gerald A. Larue,1990-11 Several New Age magazines have devoted stories to a burgeoning Cult of the Goddess But this cult isn t a result of the women s movement or the product of environmental consciousness nor is it really new In fact the Catholic Church has been making use of a similar cult for two thousand years In this book Gerald A Larue examines the scriptural underpinnings of occult and supernaturalistic notions that survive in contemporary society The Supernatural the Occult and the Bible is based on the author s thorough knowledge of the history of ancient Near Eastern cultures and their mythology Larue argues that biblical supernaturalism and modern occultism are two sides of the same coin and illustrates in fascinating detail how they engender and support each other He suggests that contemporary religions cannot shirk responsibility for some of the more foolish excesses of occult practice Larue points out that present day churchgoers are not as a matter of course made aware of archaeological findings that shed light on scriptural teachings research into biblical and related languages literary analyses of biblical texts and studies of the

relationship between concepts found in the Bible and aspects of contemporary occult beliefs and practices and explains why this is so The breadth of Larue's research and depth of insight and his common sense approach make this book both engrossing and important **The Bible Cure** Reginald Cherry, 1999-04-07 What does the Bible say about carbohydrates and fat Is there a way to avoid infectious diseases What Bible foods can help lengthen your life What are God's nutritional laws Which herbs and vitamins should you take How should you pray for your healing The Bible Cure has the answers to these and other questions Within the ancient texts of the Bible are passages that provide hidden health clues to help rid people of almost every major disease These findings have been validated by both scientific and medical research a truth that amazes scientists and physicians alike In his private practice renowned physician Reginald Cherry M D has seen The Bible Cure miraculously heal people with allergies high blood pressure diabetes fatigue genetic defects arthritis even heart disease and cancer In this ground breaking book he deciphers passages from ancient Greek Aramaic and Hebrew Bibles explaining how these sacred texts anticipate many of the same findings of today's cutting edge medical research Filled with powerful testimonies and sage advice The Bible Cure will empower you with the Bible's wisdom about nutrition and health while building your faith in a God who heals
