Canadian boy Randall St Germain felt called to take on the 800 kilometer or 500 mile Camino de Santiago pilgrimage from St Jean Pied de Port France to Santiago de Compostela Spain Seriously what ensued was a dedication to his mother a personal challenge and a journey of cultural and historical enlightenment A million footsteps and a few pounds of gauze and tape later he arrived in Santiago de Compostela with a better understanding of himself and a newfound familiarity with snoring and flatulent pilgrims Join St Germain on his adventure in Camino de Santiago In 20 Days an irreverently chuckle inducing look at one man s attempt at the famed walk as he confronts apocalyptic weather snarling dogs epic blisters an exhausted body and his greatest paranoia in life bed bugs Along with his humorous reflections there is practical insight into how he successfully prepared packed and then walked across the entire French Way in 20 days and in doing so pushed far beyond his personal comfort zone Never to be included on the final list of Pulitzer Prize nominees or in Oprah s Book Club Camino de Santiago in 20 Days is not your granddaddy s Camino book either One word of caution Pilgrim Discretion is Advised
