**Walking in and Around Slough** Stuart Montgomery, 2015-10-20 This book describes a series of walks in and around the borough of Slough in south east England In spite of the town's generally unromantic reputation good walking routes do exist and some of them are surprisingly attractive in places at least The book aims to introduce them not only to regular walkers but also to people who have never tucked trouser into sock or thermos into backpack The routes are mainly themed

around different aspects of local history or culture and reflect an eclectic and unstuffy attitude toward heritage So while there is space for apparently venerable stuff like castles churches and old or even olde pubs the themes also include puppet TV shows grimy waterways brick making yards eccentric pagan people posh schools prostitutes and punk rock writers The author has lived in the town for 25 years and used to run a travel company that sent groups of walkers to many attractive destinations in Europe though not to Slough itself     **The Insurance Law Journal** ,1930 Reports of all decisions rendered in insurance cases in the federal courts and in the state courts of last resort     Collier's Once a Week ,1917     **Walking the California Coast** John McKinney,1994     **Walking Southern California** John McKinney,1994     **Collier's** ,1917     **Forest and Stream** ,1891     Walks & Hikes in the Foothills & Lowlands Around Puget Sound Harvey Manning,Penny Manning,1995 The best country and city hikes between Everett and Tacoma     Engineering News-record ,1923     **Hiking Illinois** Susan L.
