Wall Street People Charles D. Ellis,James R. Vertin,2003 Writing with James R Vertin author Charles D Ellis presents brief profiles of 85 Wall Street leaders who contributed to the growth of the world s major financial marketplace The authors divide these individuals all men which tells a tale right there into four slightly arbitrary groups masters of investing movers and shakers business builders and wisemen and rascals The collection is drawn from the other writers pieces about these men and includes occasional articles the featured financiers wrote themselves Apart from a few brief notes about some patterns that the author observed these excerpts from various sources stand alone with no overarching theme or exposition getAbstract keenly feels the lack of a few analytical essays that might have pulled the collection together and integrated it thematically but even so this serves as a useful research tool and an interesting introduction to a unique confluence of powerful men

All the Presidents' Bankers Nomi Prins,2014-04-08 A groundbreaking narrative of how an elite group of men transformed the American economy and government dictated foreign and domestic policy and shaped world history Culled from original presidential archival documents All the Presidents Bankers delivers an explosive account of the hundred year interdependence between the White House and Wall Street that transcends a simple analysis of money driving politics or

greed driving bankers Nomi Prins ushers us into the intimate world of exclusive clubs vacation spots and Ivy League universities that binds presidents and financiers She unravels the multi generational blood intermarriage and prot relationships that have confined national influence to a privileged cluster of people These families and individuals recycle their power through elected office and private channels in Washington DC From the Panic of 1907 to the financial crisis of 2008 this unprecedented history of American power illuminates how the same financiers retained their authoritative position through history swaying presidents regardless of party affiliation All the Presidents Bankers explores the alarming global repercussions of a system lacking barriers between public office and private power Prins leaves us with an ominous choice either we break the alliances of the power elite or they will break us **Wall Street People** Charles D. Ellis,2001-04-16 The first complete Who's Who in the history of the world's best known financial street Charles D Ellis and James R Vertin have crafted a window on Wall Street that investors won't want to miss These two Wall Street insiders provide detailed profiles of dozens of the most fascinating influential and talked about financial luminaries ever to light up the dark and cavernous purlieus of the world's most famous street Related here are intriguing tales of money won and lost amazing coups brazen cons of financial brilliance and untrammeled greed and blind ambition This compelling series includes profiles of the biggest names today Alan Greenspan Warren Buffett Larry Tisch Jim Rogers Sanford Weill and George Soros as well as investment losers like Ivan Boesky and Nicholas Leeson Charles D Ellis Greenwich CT is a Managing Partner of Greenwich Associates the international financial consulting firm Now fully retired James R Vertin Menlo Park CA was a principal of Alpine Counselors a financial consulting firm **Wall Street People** Charles D. Ellis,James R. Vertin,1997-10 Wall Street's past is paved with stories of big business and old money Who hasn't heard of industry builders like Andrew Carnegie John D Rockefeller Henry Ford and Jay Gould Volume two of this series profiles the financial personalities from days past
