This End Stella Benson:

This Is the End Stella Benson, 2004-10 This is the end for the moment of all my thinking this is my unfinal conclusion There is no reason in tangible things and no system in the ordinary ways of the world Hands were made to grope and feet to stumble and the only things you may count on are the unaccountable things System is a fairy and a dream you never find system where or when you expect it There are no reasons except reasons you and I don't know I should not be really surprised if the policeman across the way grew wings or if the deep sea rose and washed out the chaos of the land I should not raise my eyebrows if the daily press became the Little Sunbeam of the Home or if Cabinet Ministers struck for a decrease of wages I feel no security in facts precedent seems no protection to me The wisdom you can find in an Encyclopedia or in Selfridge's Information Bureau seems to me just a transitory adaptation to quicksand circumstances **This is the End, by**
