Hussin A.Rothana

Waarom Ik Blijf Gedachten Over Geloof Theologie En Wetenschap:

Science, Religion, the Humanities and Hope Anne Runehov, Michael Fuller, 2024-03-19 This book collects a multidisciplinary range of contributions focusing on the prolific and seminal work of Willem Drees in the fields of philosophy of religion philosophy of the humanities and science and theology religion Trained in both theoretical physics and theology philosophy of religion Drees holds doctoral degrees in both theology and in philosophy and amongst other distinguished positions held professorships at the University of Leiden and at the University of Tilburg Drees was also Editor in Chief of Zygon Journal of Religion Science between 2008 and 2018 and served as President of the European Society for the Study of Science and Theology ESSSAT between 2002 and 2008 In 2018 he was elected as member of the Royal Holland Society of Sciences and Humanities KHMW This contributed volume builds on Drees expansive and provocative scholarly contributions notably around the concept and meaning of naturalism and the humanities to the fields of science and religion as exemplified by his works Religion Science and Naturalism 1996 and What Are the Humanities For 2021 In a time where more and more young people across the globe are entering higher education such cross disciplinary explorations and re evaluations are vital to the field Accordingly by approaching his work from a variety of disciplines this collection illuminates the broad reach of Drees work and provides scholars from various fields with many new and rich opportunities avenues for research **Ze zijn zo onbeschoft, mevrouw. Reflecties over morele vorming op school (DIROO-Academia 10) , Christelijke spiritualiteit voor beginners / druk 1** S. de Jong, 2006 Gedachten en anekdoten over levenswijsheid door de predikant van de Protestantse Kerk in Nederland **Philosophia reformata** , 2005 *Waarom ik blijf* Arie Beukel, 2003 Kritische beschouwingen over de gereformeerde geloofsleer en het gedachtegoed van enkele gereformeerde theologen zoals Kuitert en Den Heyer *Denken over religie* Valeer Neckebrouck, 2011 Denken over religie - Deel I Van Xenophanes tot Robertson Smith Valeer Neckebrouck, 2011 Religie als sociale constructie. Een menswetenschappelijke rondleiding Guido Dierickx, 2015-09-07 De religie geeft aanleiding tot vele vaak heftige debatten in academische en minder academische kringen Bij nader toezien gaan die debatten meestal over de sociale constructie die de religieuze beleving bevordert of verzwakt en niet over de kern van de religie de religieuze beleving Ze gaan over de omstandigheden die de participatie aan de religieuze gemeenschap en cultuur ondersteunen of hinderen die haar geloofwaardigheid ondermijnen of bevestigen Dit werk wil een aantal van die debatten verhelderen met behulp van een sociologische zienswijze en de beschikbare empirische gegevens Daarmee is alvast n thema aangestipt dat herhaaldelijk zal weerkeren het onderscheid tussen de theologische en de filosofische zienswijze en de sociologische en de menswetenschappelijke De stelling van de auteur luidt dat in debatten over religie de theologisch filosofische zienswijze zij het vaak in haar ge vulgariseerde vorm te veel aan bod komt en de sociologische te weinig Dit geldt paradoxaal genoeg zowel voor de vrienden als voor de vijanden van de religie Dat is begrijpelijk omdat levensbeschouwelijke debatten nu eenmaal heet zijn en meer aantrekkingskracht hebben dan

menswetenschappelijke debatten die veeleer koel zijn Klassieke gestalten van christelijk geloven en denken E. P.
