Stay With Me Samantha Chase, 2013-11-21 Was a little peace and quiet too much to hope for Mac Montgomery spent two years watching his father play matchmaker for his brothers and their wives and as the last Montgomery standing he knew it wouldn't be long until all eyes would be on him While he couldn't deny that things had worked out well for his siblings the last thing that Mac wanted was to get married and settle down He hadn't counted on his father not wanting to set him up with anyone And he hadn't counted on Gina Micelli After more than a dozen years away from her beloved family friends Gina Micelli comes home to take care of her ailing father Some of her most cherished memories are of the times she spent with the Montgomerys and her crush on Mac She was a child when she moved away but now as a grown woman the thought of seeing Mac again actually has her wondering at the possibilities Ever the responsible one Mac makes sure that Gina is taken care of during such an emotional time He wants to see her as a friend as the girl that he remembers from his youth Unfortunately the beautiful woman she has grown into has all thoughts of a platonic relationship flying out the window Torn between honor and passion and peace or chaos all Mac knows is that his life is never going to be the same The timing is all wrong but for two people fighting for control over their own lives their response to one another is anything but
