Humanities**

## **Waiting For Godot Publisher Grove Press:**

*Samuel Beckett--humanistic Perspectives* Ohio State University. College of Humanities,1983      *The Cambridge Introduction to Theatre and Literature of the Absurd* Michael Y. Bennett,2015-10-29 Michael Y Bennett's accessible Introduction explains the complex multidimensional nature of the works and writers associated with the absurd a label placed upon a number of writers who revolted against traditional theatre and literature in both similar and widely different ways Setting the movement in its historical intellectual and cultural contexts Bennett provides an in depth overview of absurdism and its key figures in theatre and literature from Samuel Beckett and Harold Pinter to Tom Stoppard Chapters reveal the movement's origins development and present day influence upon popular culture around the world employing the latest research to this often challenging area of study in a balanced and authoritative approach Essential reading for students of literature and theatre this book provides the necessary tools to interpret and develop the study of a movement associated with some of the twentieth century's greatest and most influential cultural figures

**On Beckett** Alain Badiou,2003 This book is a double first the first collection together of all of Badiou's work on Beckett and the first translation of this important material Badiou presents a Beckett whose work is the work of philosophy itself a philosophy in the full sense of the word which works to reduce experience to its essential determinations These essays together furnish a meditation on the developments of Beckett's ideas always philosophically allusive from first works through *The Unnameable* a solipsist impasse claims Badiou from which it would take Beckett ten years to escape to a final engagement with questions of the Other and Love

*On Waiting* Harold Schweizer,2008-06-03 This is a quite remarkable book a pleasure to read Not only is it clear and informative but also by turns witty melancholic and insightful The book is astonishingly erudite but wears this learning so lightly and so charmingly that it is both easy and gripping to read Robert Eaglestone Royal Holloway University of London Penelope waits by her loom for Odysseus Vladimir and Estragon wait for Godot all of us have to wait for buses phone calls and the kettle to boil But do we know what the checking of one's watch and pacing back and forth is really all about What is the relationship between waiting and time Is there an ethics of waiting or even an art of waiting Do the internet online shopping and text messaging mean that waiting has come to an end On Waiting explores such and similar questions in compelling fashion Drawing on some fascinating examples from the philosopher Henri Bergson's musings on a lump of sugar to Kate Croy waiting in *Wings of the Dove* to the writings of Rilke Bishop and Carver On Waiting examines this ever present yet overlooked phenomenon from diverse angles in fascinating style On Waiting is the first book to present a philosophy of waiting Philosophy Literature

**The International Reception of Samuel Beckett** Mark Nixon,Matthew Feldman,2011-10-27 Over the last decade Samuel Beckett's popularity has rocketed around the world and he is increasingly recognised as one of the most important and influential writers of the twentieth century but there has been very little scholarly work on Beckett's reception outside Europe This comprehensive volume brings together essays from leading critics

on Beckett's international critical reception Due to Beckett's linguistic and artistic abilities he was intimately involved in the translation and production of his writings in German French English and Spanish and consequently countries using these languages have sophisticated critical traditions However many other countries have adopted Beckett as their own from places where he lived for lengthy periods of his life England France Ireland and Germany to those finding directly applicable political messages in his work such as ex Soviet states including the Czech Republic and Romania and those countries whose national literary traditions bear heavily upon his work e.g Norway and Italy This fascinating volume reveals Beckett's evolving critical reception from contemporary reviews to the present [The Time of Their Lives](#) Al Silverman,2016-01-19 A lively portrait of mid twentieth century American book publishing A wonderful book filled with anecdotal treasures The New York Times According to Al Silverman former publisher of Viking Press and president of the Book of the Month Club the golden age of book publishing began after World War II and lasted into the early 1980s In this entertaining and affectionate industry biography Silverman captures the passionate spirit of legendary houses such as Knopf Farrar Straus and Giroux Grove Press and Harper Row and profiles larger than life executives and editors including Alfred and Blanche Knopf Bennett Cerf Roger Straus Seymour Lawrence and Cass Canfield More than one hundred and twenty publishing insiders share their behind the scenes stories about how some of the most famous books in American literary history from The Rise and Fall of the Third Reich to The Silence of the Lambs came into being and why they're still being read today A joyful tribute to the hard work and boundless energy of professionals who dedicate their careers to getting great books in front of enthusiastic readers The Time of Their Lives will delight bibliophiles and anyone interested in this important and ever evolving industry

[Contemporary Literary Criticism](#) Roger Matuz,1990-03 Entries include critical commentary brief biographical information a portrait when available a list of principal works and may also include a further reading section

**Masterplots ...** Frank Northen Magill,Dayton Kohler,1960 **Masterpieces of World Literature in Digest Form** Frank Northen Magill,1952 Gives synopses of novels plays epics essays philosophical works and poetry along with principle characters and date of first publication or presentation **Masterplots: The four series in eight volumes; two thousand and ten plot stories and essay reviews from the world's fine literature** Frank Northen Magill,1958 [Rare Book Review](#),2006 **Masterpieces of World Literature in Digest Form** ,1960 **Small Press** ,1986 **New York Times Saturday Book Review Supplement** ,1966 *Theater Three* ,1986 **Play and Scene Preparation** Harry E. Stiver,Stanley Kahan,1984 **Psychopathology and Literature** Leslie Y. Rabkin,1966 **Ironic Samuel Beckett** Pol Popovic Karic,2006-10-11 Irony can provide a means to communication catharsis and freedom that a person needs in order to survive in a world of permanent chaos and oppression Ironic Samuel Beckett offers an unorthodox look at Waiting for Godot Endgame and Happy Days from the perspective of irony This analysis questions the notion the Beckett's theater of the absurd is essentially circular or based on nothingness and invites the reader to reconsider established notions about Beckett and his

work     *The Imprisoned Hero in Camus, Beckett, and Desvignes* Jerry L. Curtis,1994     *Ariel* ,1986
