**A Christian Guide to Spirituality** Stephen W. Hiemstra, 2017-12-16 Spirituality is lived belief When

we pray worship or reach out to our neighbors we live out our beliefs Our beliefs structure our spirituality like skin stretched over the bones of our bodies These beliefs start with faith in God the Father through Jesus Christ as revealed through the Holy Spirit in scripture in the church and in daily life Our Trinitarian theology orders our beliefs Without a coherent theology we lose our identity in space and time having no map or compass to guide us on our way In the end we focus on ourselves not God Christian spirituality starts with God not with us A Christian Guide to Spirituality takes the form of 50 daily devotions Each topic is treated with a scriptural reference reflection prayer and questions for discussion Occasionally references are provided for further study The first four chapters Introduction Apostle s Creed Lord s Prayer and Ten Commandments cover 40 days making them suitable as a Lenten study Ten additional days focus on the spiritual disciplines and a short conclusion Reading A Christian Guide to Spirituality will help readers understand Christian spirituality better and nurture their faith There is no such thing as quality time with the Lord there is only time The living God speaks to us in many ways but especially through scripture These three sources cited Apostle s Creed Lord s Prayer and Ten Commandments are commonly called the rule of faith regula fidei and were utilized for nearly two millennia as a means to apprentice the faith These sources are the heart of the confessions of most Christian faith communities and denominations Hear the words walk the steps experience the joy Author Stephen W Hiemstra MDiv PhD is a slave of Christ husband father tentmaker economist and writer He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children The foreword is written by Neal D Presa This book might be classified appropriately in spirituality Christian living devotion faith religion and theology Spiritual Trilogy Stephen W. Hiemstra, 2018-02-16 This trilogy combines three books published previously A Christian Guide to Spirituality Life in Tension and Called Along the Way Together they chronicle a spiritual journey during the period from 2013 through 2017 The first two books focus on the question who is God while the third book focuses on the question who are we The call to faith and ministry is personal but it is also corporal being informed by the community of faith at one time and in one place The original books have been reproduced as published Offering them together makes them available more economically and draws attention to their common purpose Because spirituality is lived belief it is important to reflect on what we say we believe and what we actually practice This reflective process is inherently stressful but it is a normal part of our Christian journey as we prepare in this life for the next Hear the words walk the steps experience the joy Author Stephen W Hiemstra MDiv PhD is a slave of Christ husband father tentmaker writer and speaker He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children Key words for this book include Beatitudes Christianity spirituality memoir Christian memoir Jesus Bible devotion spiritual growth and faith Other books by T2Pneuma Publishers LLC include A Christian Guide to Spirituality 2014 Una Gu a Cristiana a la Espiritualidad 2015 My Travel Through Life 2016 Oraciones 2016 Prayers 2016 Life in Tension 2016 Prayers of a Life in Tension 2016 Called Along the Way 2017 See T2Pneuma.com for more details What people are saying Stephen provides a helpful accessible guide using the classic
