Pope Francis s first papal letter reflecting on the nature of belief and the need to renew our faith for a bright future of charity and love for all Precisely because it is linked to love the light of faith is concretely placed at the service of justice law and peace Faith is born of an encounter with God s primordial love wherein the meaning and goodness of our life become evident our life is illumined to the extent that it enters into the space opened by that love to the extent that it becomes in other words a path and praxis leading to the fullness of love Pope Francis The encyclical letter Lumen Fidei is the great monument of the Year of Faith declared by Pope Benedict XVI and brought to completion by Pope Francis writes Scott Hahn in his foreword It is a capstone of the year but at the same time a milestone of a long road a road we have only begun to travel the road of the New Evangelization Here is an illuminating work inviting all to lead a more spiritual and faith based life a reminder that with faith comes service and with service to others and to God comes heaven on earth
