and LGBTQ communities Reading the American graphic novel opens a debate on how major works have changed the idea of America from that once found in the quintessential action or superhero comics to show new different intimate accounts of historical change as well as social and individual personal experience It guides readers through the theoretical text image scholarship to explain the meaning of the complex borderlines between graphic novels comics newspaper strips caricature literature and art

Plutocracy Abraham Martinez, 2020-10-27 2051 The world's largest company The Company has seized power on a planetary scale and runs the world as if it were a business In a plutocracy the richer one is the more powerful one is In this context an anonymous citizen becomes compelled to uncover how the world came to this situation without paying any attention to the official version Several members of the government end up encouraging him to carry out this investigation by giving him access to all information He decides to discover the true history of The Company and the various interests that are trying to influence his investigation

Walking Wounded: Fred Tomasello, 2025-09-15 Looking for excitement a patriotic college sophomore joins the Marine Corps completes officer training and experiences combat as an infantry platoon commander Wounded he recovers and joins the Aerial Observer section where he calls in artillery and close air support Wounded again he returns to the United States and makes casualty calls notifying families of Marines wounded or killed in action Using language that is authentic raw and brutally honest Fred Tomasello reveals the adverse effects of war and PTSD on a young man and his family

Among the Walking Wounded John Conrad, 2017-06-02 In the shadows of army life is a world where friends become monsters where kindness twists into assault and where self loathing and despair become constant companions Whether you know it by old names like soldier's heart shell shock or combat fatigue post traumatic stress disorder has left deep and silent wounds throughout history in the ranks of fighting forces Among the Walking Wounded tells one veteran's experience of PTSD through an intimate personal account as visceral as it is blunt In a courageous story of descent and triumph it tackles the stigma of PTSD head on and brings an enduring message of struggle and hope for wounded Canadian veterans This book is a must read for anyone who cares about Canadian veterans and the dark war they face long after their combat service is ended

Walking Wounded Brian Freeman, Tony Park, 2013 Brian Freeman former special forces soldier Kokoda Track record breaker and discoverer of the lost battlefield of Kokoda had a belief that walking the track could have a special benefit for wounded Australian servicemen and the families of those killed in Afghanistan or Iraq In 2012 he proved his theory right by organising two treks that produced some extraordinary results for those who took part from the former commando who lost both legs in Afghanistan to the father who lost his son there Walking Wounded is the inspiring accounts of the men and women on those treks how walking in the footsteps of those who fought on the track has helped them piece their lives back together It's also a deep insight into their service the actions that saw them wounded and the slow process of recovery and rehabilitation that rarely features in our news stories Written with compassion and true empathy Walking Wounded is as important as it is moving and paves the way for the treks with veterans
