Farris,2010-05-01 This book details the natural supplements to take to help achieve incredible results for you Used together with our internet based members program which details how to most effectively train and diet for immediate results Finally at 49 years old I was able to get back into the kind of shape I had when I was in my early twenties And it really was not hard to do Many of my friends could not believe how fast I was able to achieve these results They all wanted to know how I had done it and if they could do it The answer was of course they could do it Anybody can do it It is just a matter of knowing what to do and how to do it My first goal which was to get in top physical condition with good muscle tone and minimal fat was achieved I can now move on to my second goal which is to benefit you I encourage you to utilize the natural supplements discussed in this book and the training and diet laid out for you in the membership website to immediately start losing fat and building muscle tone Again you can see the results of my transformation on the back cover of this book Imagine yourself making a similar transformation You can do it Your own transformation is ready to happen I am here to help you in all areas of training diet and utilizing the right natural supplements so you can make your transformation happen The No B.S. Straightforward Supplement Guide Tyler Johnston,2018-03-18 THE MAJORITY OF MUSCLE BUILDING AND FAT LOSS

SUPPLEMENTS BEING SOLD TODAY ARE QUITE SIMPLY BULLSH T Find Out What s Worth It and What s Worthless Once and For All In a fitness industry that has become completely overrun with fads false information and outright scams The No B S Straightforward Supplement Guide was written as your no nonsense resource to help you reach your fitness goals of building muscle and burning fat the right way Stop falling for the multi million dollar ads that talk about the latest revolutionary discovery that will allow you to pack on 50lbs of muscle while you sit on the couch Beyond a small handful of supplements most of what s out there flat out doesn t work yet most trainees still hugely over value these products and have completely unrealistic expectations about just how big or small of an impact the latest breakthrough pill will actually have STOP Wasting Money STOP The Confusion In this No B S guide I ll be laying out the honest truth about which supplements actually work and how to include them in your plan to maximize your results Here s a sample of some of the things you re going to learn when you read this book How to Save Hundreds if not Thousands of Dollars of Your Hard Earned Money The 6 Secret Scams of the Supplement Industry Which Supplements are the Best for Building Muscle and Which are Overhyped and Overpriced Which Supplements are the Best for Burning Fat and Which are Overhyped and Overpriced The 5 Essential Supplements to Make up the Foundation of Your Plan The Extended Supplement Stack to Fully Maximize Your Results The Perfect Pre Workout Stack And More Learn The Science Based Info You Can Trust I get it I love the idea of lying back popping a few pills and slugging back a quick shake to see an effortless overnight boost in muscle growth and fat loss just as much as the next guy But it just doesn t work that way no matter what the photoshopped fitness model in the supplement ad told you In reality the majority of products lining the shelves at your local supplement shop are packed full of ineffective ingredients that are NOT backed by any real scientific research They re usually under dosed poorly formulated and hide

specific ingredient amounts behind proprietary blends and in some cases don't even actually contain what the label says. It might sound crazy but these sorts of things are actually pretty common practice and it's easy for supplement companies to get away with them since the industry is so loosely regulated by the FDA. The bottom line is if you're spending money on supplements for bodybuilding, building muscle, burning fat, enhancing sports performance or just want to know the secrets of this industry and its various products then you want to read this book. **SPECIAL BONUS FOR READERS:** With this book you'll also get a free bonus report from Tyler called 10 Deadly Fat Loss Mistakes Sabotaging Your Fat Loss Success. In this free bonus report you're going to learn the truth behind 10 of the most common weight lifting and nutrition mistakes that ruin people's efforts to get lean and muscular. If you've ever felt stuck at a fat loss plateau, wondered why your diet isn't working or felt unsure about your training routine producing the lean results you hoped for then you need to read this report. Learn what the supplement companies don't want you to know about what truly works and what's wasting your money.
