*TikTok Cultures in the United States* Trevor Boffone, 2022-04-03

*TikTok Cultures in the United States* examines the role of TikTok in US popular culture, paying close attention to the app's growing body of subcultures. Featuring an array of scholars from varied disciplines and backgrounds, this book uses TikTok subcultures as a point of departure from which to explore TikTok's role in US popular culture today. Engaging with the extensive and growing scholarship on TikTok from international scholars, chapters in this book create frameworks and

blueprints from which to analyze TikTok within a distinctly US context examining topics such as gender and sexuality feminism race and ethnicity and wellness Shaping TikTok as an interdisciplinary field in and of itself this insightful and timely volume will be of great interest to students and scholars of new and digital media social media popular culture

communication studies sociology of media dance gender studies and performance studies     *Social First Brands* Tom Miner,2025-07-03 As platforms come and go features fall in and out of fashion and consumer preferences change brands need to understand how to build social media strategies that transcend trends and create genuine connection In Social First Brands expert Tom Miner explores how brands who put their social media front and center in their marketing efforts are reaping the benefits building genuine communities with their customers and developing true brand loyalty With many brands seeing social media solely as a way to mass promote their products brands who really put social at the front and center are able to connect with consumers in authentic ways creating audience empathy and emotional resonance By understanding how social media speaks to human behavior brands who put social first are able to move beyond quick wins and hacks and create genuine connections and conversations between brand and customer delivering real value From understanding the steps for creating a social media strategy that is bespoke choosing and developing the right personality for your brand on social media or understanding how to create content that is consistent this book covers everything you need to know to ensure your brand's socials generate loyal fans With real world examples from companies such as Crocs Stanley Funko and Ryanair use this book to ensure your social media strategy creates real impact     *TikTok Therapy* Dr. Jonas E.

Halberg,2025-08-11 Discover How a Digital Phenomenon is Reshaping Young Minds In the era of endless scrolling and fleeting moments a new form of storytelling has emerged one that fits neatly into 15 seconds This book delves deep into the fast paced world of short form content revealing how platforms like TikTok aren't just about entertainment but are influencing the very way Generation Z thinks feels and connects Explore the science behind shrinking attention spans and the powerful algorithmic loops that shape self expression emotional health and identity in real time Through engaging analysis and real world examples you'll uncover the complex dynamics of instant validation digital communities and the delicate balance between creativity and mental well being From laughter that serves as emotional medicine to the nuanced ways trends act like mirrors reflecting inner struggles this book invites readers to understand the hidden layers beneath seemingly simple video clips It challenges assumptions and highlights the ethical considerations involved in blending mental health conversations with viral content Whether you're a parent educator or curious observer you'll gain valuable insights on how TikTok's rapid fire content influences learning memory and social interaction Moreover you'll discover strategies for mindful engagement that can transform scrolling from mindless habit to a tool for positive change Step inside the world where culture technology and psychology collide and witness how 15 seconds can define an entire generation's inner landscape a world where digital therapy meets everyday life in surprisingly profound ways     Social Media in Musical

Theatre Trevor Boffone,2023-11-16 This book introduces readers to the widespread phenomenon of how social media platforms such as YouTube Twitter and TikTok become an extension of long standing aspects of musical theatre engagement Although casual observers may dismiss social media s import social media has revolutionized the field of musical theatre since the early days of Web 2 0 with spaces such as AOL LiveJournal and Myspace Now as social media continues to grow in relevance the nuanced ways in which digital platforms influence musical culture remain ripe for study Social Media in Musical Theatre moves beyond viewing social media merely as a passing fad or a space free from critical engagement Rather this volume takes a serious look at the critical role social media play in musicals thus challenging how social media users and musical theatre makers alike approach digital spaces This book introduces the relationship between musical theatre and social media in the 21st century as well as methods to study social media s influence on musicals through three in depth case studies organized around marketing on YouTube fan engagement on Twitter and new musical development on TikTok
