

Sample Tour Guide Speech

Listen to a tour guide on a shuttle bus from the airport to the resort.

Welcoming tourists:

Hello everyone. My name is Luca. On behalf of Suntan Tours I'd like to welcome you all to Los Cabos. The bus ride to your hotel will take about fifteen minutes. Right now I'd like to take a minute to familiarize you with the area and discuss some brief safety precautions. Firstly, I ask that you remain seated until we reach our destination and that you not eat or drink while on the bus. Secondly, please realize that it is against the law to get drunk in public. Enjoy your vacation, but do drink responsibly and do not drink and drive.

Describing the location:

I promise you are going to enjoy your stay here in San Jose, Los Cabos. This is a beautiful, quiet city where you can relax, sit by the beach, enjoy great meals and feel very safe. You can walk into town and enjoy the fountains or take a moonlit walk along the water. Please do not swim here. This is not a safe place to swim because there is a strong undertow. Cabos San Lucas is the place to go if you want to enjoy swimming in the ocean. You can take a short bus ride from your hotel. There you will also enjoy entertainment and dancing.

Introducing special events and offers:

Suntan tours offers a variety of special discounts depending on your travel plans. We have golf packages, as well as guided whale boat tours, and fishing charters. There will be a short information session at 1pm in the lobby of the hotel tomorrow where you can learn all about these offers. We recommend that you do not purchase packages from street vendors as they are not always 100 percent reliable. They also may charge you more than what they say. Please take my advice and allow Suntan tours to book all of your day trips and activities while you are here.

Offering advice:

If you need to exchange your dollars into pesos, please use a bank or money exchange. We don't recommend exchanging your money at the hotel because you won't get a fair rate. Some restaurants will accept American or Canadian money, but you are better off to exchange your money and pay with pesos. Or, if you prefer, you can always use your credit cards. Also, if you want to get around the city, or travel to Cabos San Lucas, we recommend that you take the local bus rather than a taxi. The bus costs about one American dollar, and the driver can give you change if you don't have the exact amount. If you do decide to take a taxi make sure that you negotiate a price before you go.

Closing remarks:

We're going to be pulling up to the hotel in just a few minutes. Please sit back and enjoy the view of the ocean on the left hand side of the bus as we enter the city. I ask that you remain in your seats until we have come to a complete stop. Javier will be meeting us at the bus to help you with

Spoken Dialogue Systems Technology and Design Wolfgang Minker, Gary Geunbae Lee, Satoshi Nakamura, Joseph Mariani, 2010-11-09 Spoken Dialogue Systems Technology and Design covers key topics in the field of spoken language dialogue interaction from a variety of leading researchers. It brings together several perspectives in the areas of corpus annotation and analysis, dialogue system construction, as well as theoretical perspectives on communicative intention, context-based generation and modelling of discourse structure. These topics are all part of the general research and development within the area of discourse and dialogue, with an emphasis on dialogue systems, corpora and corpus tools, and semantic and pragmatic modelling of discourse and dialogue. [The Routledge Companion to Tour Guiding](#) Shailja Sharma, 2025-08-29 This comprehensive handbook offers an in-depth exploration of both the theoretical and practical dimensions of tour guiding as a profession. It provides readers with valuable insights into examining the key and dynamic role of tour guides in the tourism industry and the evolving expectations of modern travelers. Enriched with global case studies spanning a diverse range of niche tours offered as tourism products around the world, the book highlights emerging trends and the importance of continuous skill development in the profession. It covers topics such as pre-tour preparations, the art of effectively opening and closing tours, engaging narration at attractions, the importance of technology for tour guides, and the nuances of managing diverse groups. Additionally, it delves into the growing practice of virtual tour guiding and offers practical guidance on addressing guest inquiries, managing grievances, and handling emergencies, besides addressing the new emerging trends in the field of tour guiding. This companion is designed for students and educators in tourism, travel, and hospitality management programs worldwide. It serves as a valuable training manual for national, regional, and local tourism authorities, as well as tour operators and travel agencies. Furthermore, both seasoned professionals and aspiring tour guides will find it an essential reference to refine their skills and stay updated with contemporary best practices. **Promoting Creative**
