## **The Of Disquiet:**

*The Book of Disquiet* Fernando Pessoa, 2010-12-09 Sitting at his desk Bernardo Soares imagined himself free forever of Rua dos Douradores of his boss Vasques of Moreira the book keeper of all the other employees the errand boy the post boy even the cat But if he left them all tomorrow and discarded the suit of clothes he wears what else would he do Because he would have to do something And what suit would he wear Because he would have to wear another suit A self deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life The Book of Disquiet is a classic of existentialist literature

*The Book of Disquiet - Fernando Pessoa* Fernando Pessoa, 2025-04-30 The Book of Disquiet by Fernando Pessoa is a deeply introspective and fragmentary work that defies traditional narrative structures offering instead a mosaic of reflections on identity solitude dreams and the elusive nature of reality Written under the heteronym Bernardo Soares the book presents a semi fictional diary filled with philosophical musings emotional detachment and lyrical prose Pessoa delves into the inner life of his narrator revealing a world shaped more by thought than by action where introspection becomes both a refuge and a burden Since its posthumous publication The Book of Disquiet has been celebrated for its existential depth and literary innovation The work challenges readers with its lack of linear plot and its persistent questioning of selfhood and meaning Pessoa's mastery of paradox and his ability to capture the subtle dissonances

of human experience have made this book a cornerstone of modernist literature Its lasting significance lies in its honest portrayal of inner turmoil and its exploration of consciousness as a fragmented and ever shifting reality The Book of Disquiet remains a haunting meditation on the complexities of being offering readers a mirror to their own uncertainties and inner contradictions

**Fernando Pessoa, The Book of Disquiet, Translated by Margaret Jull Costa ,2017**      **The Poetics of Translation** Geneviève Robichaud,2024-07-15 Translation is a vital method of not just reading but writing and forms the basis of an exciting range of critical artistic and literary opportunities Combining close readings of literary texts alongside astute critical observations from works by Avital Ronell and Walter Benjamin amongst others The Poetics of Translation re examines key translation studies concepts challenging our sometimes pragmatic understanding of translation and asking what it is that the discipline can make visible By highlighting the possibilities of translation as an art form in contemporary innovative writing practices Geneviève Robichaud reveals translation s creative and critical potential arguing that even those literary works that are not exactly translations gain in being apprehended as such The Poetics of Translation values oblique even unfinished sources of meaning dwelling in the speculative spaces of texts and drawing attention to translation as poesis as creating that which is tangible and valuable Situated at the juncture of translation poetics and literary studies the book celebrates the uncertainty of translation the plasticity of language and ideas and the desire to interpret rather than reiterate
