The Bible In Translation Ancient And English Versions:

The Bible in Translation Bruce M. Metzger, 2001-10 Outlines the historical development of biblical translation including analyses of over fifty versions of the Bible *40 Questions About Bible Translation* Mark L. Strauss, 2023-09-19 Nearly all believers read a translation of the original texts of the Bible yet few understand the complex art and scholarship unique to Bible translation The importance of Bible translation in historic and contemporary Christianity cannot be overstated with millions around the globe reading and studying the Bible in their own language Notable translation expert Mark Strauss answers a wide range of questions about this the process and reliability of this endeavor so essential to the core Christian faith 40 Questions About Bible Translation covers topics related to the process and history of Bible translation Bible versions and international translation efforts and the multifaceted challenges in translating the Bible such as What makes Bible versions different from one another What should be the goal of translation When why and how were chapters and verses introduced into the Bible How did the King James Version KJV come about How do international Bible translators go about their work What is the difference between grammatical and biological gender and how does this affect translation 40 Questions About Bible Translation utilizes an accessible question and answer format so readers can better understand the Bibles they rely upon and additional resources are available at 40questions.net *Bible Translation: An Introductory Course in Translation Principles, Fourth Edition* Katharine Barnwell, 2022-03-07 Bible Translation An Introductory Course in Translation Principles continues to provide crucial practical training for those preparing to translate the Bible or contribute to Bible translation in other ways The fourth edition of this classic textbook is a leading voice in addressing the following developments in the Bible translation world The priority of oral communication and its value in drafting testing and polishing draft translations The availability of software and online resources specifically designed for Bible translation exercises and assignments include practice in the use of these resources The increase in Old Testament translation projects worldwide more examples and exercises from the Old Testament are included The value of partnership and teamwork in translation projects recognizing the different gifts skills and roles of those involved helping each team member to serve effectively as a member of a team The involvement of local churches and community in the translation process planning for local responsibility ownership and sustainability as fully as possible in each translation project The importance of ongoing training for translators including training translators to train others and preparing capable translators to serve as translation consultants in due time The materials are designed for the classroom but are also suitable for self study for example by those who are already qualified in biblical languages and exegetical skills and are training as translation consultants A companion Teacher's Manual is also available Documents references and links to videos and other published works can be found online at publications.sil.org/bibletranslation_additionalmaterials Bible Translation An Introductory Course in Translation Principles has previously been translated in whole or in part into French Hindi Indonesian Kannada Malagasy Malayalam Marathi Oriya
