daily life of every believer. However, fellowship with the Comforter is often hindered by a complacency from those whom He came to help. In *The Comforter Has Come* the author aims to heal this growing dysfunction in the body of Christ. It features twelve fundamental components of the daily activity of the Holy Spirit from biblical data. A serious analysis of each component will serve to enrich Christians in achieving a wholesome appreciation for the Holy Spirit on a daily basis. Furthermore, an intentional interaction between the believer and the Holy Spirit will be discovered.

The Bible

Knowledge Commentary Epistles and Prophecy John F. Walvoord, Roy B. Zuck, 2018-03-01 *Teachings of God's Grace* His Character and Christ's Coming Return Letters to the early church have inspired Christians for thousands of years. From the relationship between the New Covenant and the Old Covenant in Hebrews to the practical wisdom of James to the warnings of Jude, each of these epistles has much to tell us about following Christ today. This exposition looks at what these letters teach us about God's character, His relationship with His people, and His call for our commitment. The authors also help us better understand the book of Revelation, one of the most misunderstood books of the Bible. Though Revelation is often daunting to laypeople and scholars alike, *The Bible Knowledge Commentary* gives life-changing insight into the interpretation, purpose, and application of this profound book. Together, the later epistles and the book of Revelation offer explanations of God's ancient truths and hope for a world to come.
