## **Users Guide To Democracy Human Rights And Governance Programming:**

**User's Guide to Democracy, Human Rights and Governance Programming** U.s. Agency for International Development, 2013-09 On February 27 2012 USAID launched the agency's Center of Excellence on Democracy Human Rights and Governance The launch occurred just over a year after Secretary of State Hillary Clinton and USAID Administrator Rajiv Shah released the first ever U S Quadrennial Diplomacy and Development Review QDDR The QDDR explicitly tasked USAID with establishing the DRG Center as the primary means of elevating and integrating democracy human rights and governance within the agency's overall development portfolio USAID Missions and the Washington based DRG Center have a noble and challenging mandate captured in USAID's Vision Statement To accelerate the advance of democracy prosperity and human well being in developing countries The DRG Center has a further defined mission statement to advance democracy human rights and governance for the sake of political freedom while contributing to socioeconomic progress and overall developmental resilience by integrating DRG across all sectors The DRG Center organizes its work to achieve the three following strategic objectives 1 Learn Increase knowledge concerning the global advancement of DRG 2 Serve Improve the quality and impact of DRG technical assistance to the field and 3 Influence Elevate the role of DRG in key USAID USG and multilateral strategies policies and budgets With a strong emphasis on rigorous learning the DRG Center will promote and support evidence based DRG programming This User's Guide to DRG Programming has been crafted to serve as a fundamental reference tool for USAID Missions and Bureaus to utilize in pursuit of advancing democracy human rights and good governance This Guide outlines the structure and breadth of the DRG Center's technical expertise as well as the DC based DRG cadre The Guide catalogs the funding and implementing mechanisms that may be accessed through the DRG Center and other offices and technical resources which inform DRG work With a strong emphasis on rigorous evaluation and learning the DRG Center is committed to promoting evidence based policy strategy and programming in the DRG sector The Agency's primary means of implementing DRG programs in presence countries remains in USAID Missions In well defined circumstances these mechanisms may also be used in non presence countries Overall the DRG Center's support of missions is provided through an interlinked approach that involves technical leadership targeted field support cadre development and training and direct program management Various training as well as assessment and programming tools are developed by the DRG Center to assist missions in analyzing and choosing appropriate strategies to address the DRG issues in their host countries as well as implement Agency wide policies Measuring Human Rights Todd Landman, Edzia Carvalho, 2009-12-04 The measurement of human rights has long been debated within the various academic disciplines that focus on human rights as well as within the larger international community of practitioners working in the field of human rights Written by leading experts in the field this is the most up to date and comprehensive book on how to measure human rights Measuring Human Rights draws explicitly on the international law of human rights to derive the content of human rights that ought to be

measured contains a comprehensive methodological framework for operationalizing this human rights content into human rights measures includes separate chapters on the methods strengths and biases of different human rights measures including events based standards based survey based and socio economic and administrative statistics covers measures of civil political economic social and cultural rights includes a complete bibliography as well as sources and locations for data sets useful for the measurement of human rights This volume offers a significant and timely addition to this important area of work in the field of human rights and will be of interest to academics and NGOs INGOs international governmental organizations international financial institutions and national governments themselves      **Resources in Education** ,1997

**Conceptualising Comparative Politics** Anthony Petros Spanakos, Francisco Panizza, 2015-07-16 Comparative politics often involves testing of hypotheses using new methodological approaches without giving sufficient attention to the concepts which are fundamental to hypotheses particularly the ability of these concepts to travel Proper operationalising requires deep reflection on the concept not simply establishing how it should be measured Conceptualising Comparative Politics the flagship book of Routledge's series of the same name breaks new ground by emphasising the role of thoroughly thinking through concepts and deep familiarity with the case that inform the conceptual reflection In this thought provoking book established academics as well as emerging scholars in the field collect and invite scholarship in the tradition of conceptual comparative politics The book posits that concepts may be used comparatively as lenses building blocks and scripts and contributors show how these conceptual tools can be employed in original comparative research Importantly contributors to Conceptualising Comparative Politics do not simply use concepts in one of these three ways but they apply them with careful consideration of empirical variation The chapters included in this volume address some of the most contentious issues in comparative politics populism state capacity governance institutions elections secularism among others from various geographic regions and model how scholars doing comparative politics might approach such subjects Concepts make possible scholarly conversations including creative confrontations across paradigms Conceptualising Comparative Politics will challenge you to think of how to engage in conceptual comparative inquiry and how to use various methodologically sound techniques to understand and explain comparative politics      **A Global Political Economy of Democratisation**

Alison J. Ayers, 2018-02-13 The late twentieth century is often portrayed as an Age of Democratisation with democracy heralded as the best of all political systems Yet democracy has multiple meanings values and significances The start of the twenty first century has witnessed a massive revival of interest in the meaning and role of democracy not least as democracy understood in one highly particular sense has been increasingly recognised to be in crisis This book presents these deliberations in a new light by moving beyond the concept of the sovereign state as the dominant framework of enquiry and by rejecting the primacy of the state and the categorical separation of the domestic and the international Instead Ayers elaborates an account of democratisation through the global political economy encompassing a trenchant critique of

mainstream democracy promotion in theory and practice and opening up possibilities for different histories of democratisation autonomous of the Western liberal and neoliberal project This innovative work will prove useful to scholars and students in the fields of Politics Political Economy International Relations Development African Studies History Geography and Sociology      **The Transformation of Capacity in International Development** Avidah K.

Mayville,2019-11-30 The Transformation of Capacity in International Development exposes the transformation of capacity within the development discourse through a discursive analysis of USAID projects in Afghanistan and Pakistan between 1977 and 2017 As development agendas increasingly call for human rights approaches to development and the foreign policies of donor states sound alarms over global security threats capacity development has emerged as the solution to the complex problem of development Through this examination of USAID s attempts to build capacity in Afghanistan and Pakistan the book exposes how Western notions of progress constructed by institutions government officials scholars and private sector actors are obscured by the transformation of capacity As agendas are translated into projects they perpetuate historical relationships of global inequality that have corrupted and compete with indigenous models of governance The Transformation of Capacity in International Development has implications for those considering the future of human rights based approaches to development the international management of global security threats and the sustainability of donor investments      *User's Guide to Democracy, Human Rights and Governance Programming* United States United States Agency of International Development,2014-11-18 On February 27 2012 USAID Administrator Rajiv Shah formally launched the agency s Center of Excellence on Democracy Human Rights and Governance hereafter the DRG Center The launch occurred just over a year after Secretary of State Hillary Clinton and USAID Administrator Rajiv Shah released the first ever U S Quadrennial Diplomacy and Development Review QDDR The QDDR explicitly tasked USAID with establishing the DRG Center as the primary means of elevating and integrating democracy human rights and governance within the agency s overall development portfolio USAID Missions and the Washington based DRG Center have a noble and challenging mandate captured in USAID s Mission Statement To end extreme poverty and promote resilient democratic societies while advancing our security and prosperity The DRG Center has a further defined mission statement to advance democracy human rights and governance for the sake of political freedom while contributing to socioeconomic progress and overall developmental resilience by integrating DRG across all sectors The DRG Center organizes its work to achieve the three following strategic objectives 1 Learn Increase knowledge concerning the global advancement of DRG 2 Serve Improve the quality and impact of DRG technical assistance to the field and 3 Influence Elevate the role of DRG in key USAID USG and multilateral strategies policies and budgets With a strong emphasis on rigorous learning the DRG Center will promote and support evidence based DRG programming This User s Guide to DRG Programming has been crafted to serve as a fundamental reference tool for USAID Missions and Bureaus to utilize in pursuit of advancing democracy human rights and good governance This Guide

outlines the structure and breadth of the DRG Center's technical expertise as well as the DC based DRG cadre The Guide catalogs the funding and implementing mechanisms that may be accessed through the DRG Center and other offices and technical resources which inform DRG work With a strong emphasis on rigorous evaluation and learning the DRG Center is committed to promoting evidence based policy strategy and programming in the DRG sector The Agency's primary means of implementing DRG programs in presence countries remains in USAID Missions In well defined circumstances these mechanisms may also be used in non presence countries Overall the DRG Center's support of missions is provided through an interlinked approach that involves technical leadership targeted field support cadre development and training and direct program management Various training as well as assessment and programming tools are developed by the DRG Center to assist missions in analyzing and choosing appropriate strategies to address the DRG issues in their host countries as well as implement Agency wide policies The eight teams that comprise the DRG Center are 1 Civil Society and Media CSM 2 Cross Sectoral Programs CSP 3 Elections 4 Global and Regional Policy GRP 5 Governance and Rule of Law GRL 6 Human Rights HR 7 Learning and 8 Strategic Planning There are also two permanent working groups within the DRG Center the DRG Gender Working Group and the Training and Learning Team
