 George Ritzer,2018-01-12 The McDonaldization of Society is George Ritzer s seminal work of critical sociology that links  
 classical sociological theory to many aspects of contemporary life in a globalized world Max Weber s rationalization thesis  
 updated and applied to the the late 20th and early 21st century Where Weber focused on bureaucracies as the iron cages of  
 rationalization in his time the central premise of McDonaldization is that the fast food restaurant has become the model for  
 the rationalization process today The book examines ways in which fast food businesses have created a system of operation  
 based on efficiency calculability predictability and control and how the same principles have been applied to other settings
