**OMG (Oh My God)**

**A CUL8R Time Travel Mystery/Romance** Bob Kat, 2012-11-29

OMG Oh My God Book 1 of the CUL8R Time Travel Mystery Romance series

Change the past Save the future

Three high school friends are able to do two things no one else on the planet can do talk with dead people and time travel to the past

For Kelly it s a major adjustment to move from the only life she has ever known in Texas to live with her aunt in Ft Myers Beach Florida

She quickly makes friends with her quirky next door neighbor Scott and his best friend Austin

In her aunt s garage they find a long lost invention of Thomas Edison called The Telephone to the Dead

Edison had abandoned the project and given it to Kelly s great great grandfather

Scott tinkers with it until they can hear sounds coming from it

But instead of broadcasting music it picks up conversations from the dead

As they slowly turn the dial they hear hundreds of sad lonely voices of souls that have passed but apparently never moved on

pleading for help

A teenager s voice separates from the rest and begs for their help to clear her reputation

They are shocked to find out that she had gone to their own high school 47 years ago

They research the girl s story and discover that her name was Wendy and she had been a popular cheerleader who had apparently committed suicide

The teens are touched by Wendy s cries and pleas but they have no way to go back in time to help her

That is until Scott reveals an nvention of his own a time travel app

Kelly and Austin are very skeptical

Even Scott isn t sure it will work so they try it out on his sister s pet turtle

Amazingly the turtle disappears

But did it travel to the past or just wander off

Finally they decide to humor Scott and go along with his claims of time travel

They meet on the beach after everyone else has gone home

They stand in the formation Scott insists will create the perfect vortex for time travel

At the last moment a fourth person runs

forward and is pulled into their adventure back to 1966 They figure out a way to get close to Wendy without her asking too many questions that they can't answer But as they discover the secret to her death they find it's not as clear cut as it would seem A romance gone wrong an over attentive teacher and a young girl's dreams for the future are all twisted into a mystery that causes the teens to take greater risks than they could have imagined It all becomes very real when their own lives are in danger and they realize they may never make it back to the present OMG Winner of the Best Indie Book of 2013 for Young Adults and Finalist in the 2013 Beverly Hills Book Awards Well plotted and fast paced Martha Bryce The best time travel novel I've read yet and I hope there's more to come A big thumbs up C WOW I've been thinking about that book for a week now since I finished reading it It kept me engrossed with intelligent writing depth of characters and a fast pace Overall a very satisfying novel Jasmine ATTENTION READERS Check out the CUL8R Website for details at [www.cul8rseries.com](http://www.cul8rseries.com) FREE sample chapters of BRB and BION included Book 2 BRB Be Right Back a time travel mystery romance back to 1980 won the Young Adult Readers Favorite Book Awards for 2013r Book 3 BION Believe It Or Not a time travel mystery romance back to 1927 where the teenagers join a travelling circus to help save the life of an attractive young man
