**Digital Dieting** Tara Brabazon, 2016-04-22 Imagine if a student spent as much time managing information as celebrities doted on dieting While eating too much food may be the basis of a moral panic about obesity excessive information is rarely discussed as a crisis of a similar scale Obviously plentiful and high quality food is not a problem if eating is balanced with exercise But without the skills of media and information literacy students and citizens wade through low quality online information that fills their day yet does not enable intellectual challenge imagination and questioning Digital Dieting From Information Obesity to

Intellectual Fitness probes the social political and academic difficulties in managing large quantities of low quality information But this book does not diagnose a crisis Instead Digital Dieting provides strategies to develop intellectual fitness that sorts the important from the irrelevant and the remarkable from the banal In April 2010 and for the first time Facebook received more independent visitors than Google Increasingly there is a desire to share rather than search But what is the impact of such a change on higher education If students complain that the reading is too hard then one response is to make it easier If students complain that assignments are too difficult then one way to manage this challenge is to make the assignments simpler Both are passive responses that damage the calibre of education and universities in the long term

Digital Dieting From Information Obesity to Intellectual Fitness provides active conscious careful and applicable strategies to move students and citizens from searching to researching sharing to thinking and shopping to reading *How to Do Everything iPad* Joli Ballew,2010-10-06 Tap into every feature of your iPad Get the most out of the revolutionary iPad with help from this easy to follow guide Covering both the Wi Fi only and Wi Fi 3G models How to Do Everything iPad shows you how to quickly master the basics such as customizing your iPad using the Multi Touch screen accessing the Internet through wireless and cellular connections syncing and backing up your data Learn to use Mail Safari iBooks iTunes Maps the App Store and much more View photos and video create a slideshow watch movies use GPS and play games If you're looking for a book as cutting edge and streamlined as the iPad itself you found it Configure register customize sync and back up your iPad Select a data plan for your iPad 3G Connect to Wi Fi networks access the web and surf with Safari Set up Mail and integrate with various email accounts Install iBooks and download and read books Download and run cool apps from the App Store View manage and share photos and videos Set up iTunes sync music and media from your computer download songs and create playlists Rent purchase download and watch movies and TV shows Manage your contacts and schedule and keep notes Navigate with GPS and Maps Discover download and play awesome games Take advantage of the iPad's built in accessibility features including VoiceOver and Zoom

**Tube Ritual** Brian G. Johnson,2018-10-02 A successful YouTuber shares his strategic system for growing a channel and going from zero to thousands of subscribers You have to start with no videos views or subscribers Furthermore more than four hundred minutes of content is uploaded to YouTube each minute To say that it's challenging to grow a channel is an understatement In fact less than three percent of YouTube channels ever gain more than ten thousand subscribers Yet in a one year period Brian G Johnson gained 10 623 subscribers and drove over half a million video views Truly beginning from zero Brian had no previous YouTube success to draw from and had to learn the nuances of camera settings editing options and technical details that often become roadblocks Furthermore he did it in a small and competitive niche the YouTube video marketing niche How you ask By researching testing and tweaking various video growth methods over a one year period in order to identify why the YouTube algorithm promotes one video over another Ultimately this led to the creation of a video ritual based on his findings a series of actions according to a prescribed
