Good Reviews: A Comprehensive Guide to Online Reviews and Platforms Raj Varma, 2024-07-30 In our increasingly digital world online reviews have become an invaluable resource for consumers making important purchasing decisions. Whether searching for the best local restaurant, researching the latest consumer electronics or vetting service providers, we have come to rely on the collective wisdom and experiences of others shared across a myriad of online platforms. This comprehensive guide is a must-read for anyone navigating the complex landscape of online reviews. The author provides an in-depth exploration of the major review platforms from Google and Facebook to Yelp, TripAdvisor, and Amazon, outlining their unique features, their importance for businesses, and strategies for leveraging them effectively. Beyond just understanding the review platforms, this book delves into the psychological reasons behind how online reviews influence consumer behavior and purchasing decisions. Insights into building trust, managing reputation, and responding to feedback empower readers to harness the power of online reviews for their own benefit, whether as a savvy consumer or a business seeking to thrive in the digital age. As our reliance on online information continues to grow, *Good Reviews* equips readers with the knowledge and tools needed to make informed choices, drive business success, and navigate the ever-evolving world of digital reputation. It is a must-read for anyone seeking to master the art of online reviews and leverage them for personal or professional gain.

Matt Malone,2024-04-30 We used to go to court to enforce our rights Now we do it at the office Workplace investigations are everywhere From complaints at Fox BBC TVO and The Ellen DeGeneres Show to sports teams like the Seattle Mariners the Boston Celtics and the Dallas Mavericks as well as Fortune 500 companies governments universities and schools seemingly every week brings a new announcement of another workplace under scrutiny As conflicts increase in a new era of behavioral expectations offices are being transformed into forums of informal justice Investigators are summoned to adjudicate and peers become witnesses in poorly understood often opaque proceedings The shift is fraught for all involved complainants often feel the investigations fail to right wrongs respondents regularly decry them as exercises in shunning employers

wonder how they fell into this role **New Media and Freedom of Expression** András Koltay,2019-07-25 The principles of freedom of expression have been developed over centuries How are they reserved and passed on How can large internet gatekeepers be required to respect freedom of expression and to contribute actively to a diverse and plural marketplace of ideas These are key issues for media regulation and will remain so for the foreseeable decades The book starts with the foundations of freedom of expression and freedom of the press and then goes on to explore the general issues concerning the regulation of the internet as a specific medium It then turns to analysing the legal issues relating to the three most important gatekeepers whose operations directly affect freedom of expression ISPs search engines and social media platforms Finally it summarises the potential future regulatory and media policy directions The book takes a comparative legal approach focusing primarily on English and American regulations case law and jurisprudential debates but it also details the relevant international developments Council of Europe European Union as well as the jurisprudence of the European Court of Human Rights

Digital Platforms and Global Law Bassan, Fabio,2021-11-17 Digital Platforms and Global Law focuses on digital platforms and identifies their relevant legal profiles in terms of transnational and international law It qualifies digital

platforms as private legal orders which exercise the legislative executive and para jurisdictional power within them Starting from this assumption the author studies the relationship between these orders and state transnational and international orders and concludes that the power of states to impose rules on platforms is different in terms of their external in relation to other platforms and states and internal in their own legal system action
