Parents caregivers begin their journey by examining and exploring why some children have difficulty learning to read. It is also noted the role they can play in preparing their children for the learning to read process at home. They are guided through the development of pre reading milestones and behavior characteristics of young children. Additionally parents caregivers complete a self assessment to determine their thoughts about learning which is important in setting up a creative and vibrant learning environment for their home. Before addressing the four components of the reading process parents caregivers are guided in setting the stage for learning to read their home by establishing a print rich environment.
