**Turning the Page** Rachel Slaughter, 2021-03-05 There is a

dearth of multicultural literature in schools since few schools offer a curriculum that promotes multicultural education However by the year 2050 ethnic minority children will make up the majority of the United States public school classrooms Multicultural literature is the building block of a multicultural education which reflects our nation's diversity and helps all students learn by providing help to bridge the cultural gap and promote racial awareness Teachers often find it difficult to identify or find quality multicultural literature that adheres to the standard curriculum Turning the Page The Ultimate Guide for Teachers to Multicultural Literature helps educators find and evaluate multicultural books that are suitable for the classroom and align with the standard curriculum The book includes a peer reviewed metric that shows teachers how to substitute biased books with multicultural literature that endorse the same themes Second the book includes reviews lesson plans and curated book lists of multicultural books Finally the book offers a stepwise plan on how to create a task force of school stakeholders who can implement a comprehensive multicultural program In 2018 The National Association for Multicultural Education released standards for multicultural education to encourage school staff to become culturally competent and linguistically diverse Turning the Page The Ultimate Guide for Teachers to Multicultural Literature moves educators in that direction

*Addressing the Needs of All Learners in the Era of Changing Standards* Katherine S.

McKnight, 2016-06-08 The new standards were written to address the harsh realities for poor performance of American students across all grades levels k 12 According to NAEP National Assessment of Educational Progress data more than 60% of our students in grades 4 8 and 12 are not proficient readers and the United States is one of the lowest performing in mathematics The statistics are even more staggering for our children who live in poverty students with disabilities and English Language Learners The new standards have sent a clear message all students must be engaged deeper learning This deeper level of understanding and comprehension is communicated through a more sophisticated and independent level of applied literacy skills In this book some of our leading educators envision the standards as a vehicle to provide more rigorous instruction and illustrate how teachers are uniquely qualified to determine the most effective methods for developing students skills and close the achievement gap
