Time Management Gods Way:

Time Management God's Way Gloria Adams, 2013-01-28 Time Management God's Way stands apart from other books. It is based on God's perspective that He is the giver of time and the authoritarian on how we should manage it according to Kingdom values and standards ordained before the foundation of the world. Time Management GOD's Way gives great insight into how believers can live a stress-free and prosperous life by applying the principles of Matthew 6:33 sowing your time in God's kingdom and reaping more time to do all that you were created to do. Rev. Gloria Adams has a heart for the Great Commission to share the gospel of Jesus Christ with all who will listen. She uses the platform of teaching the Word of God at seminars, Bible studies, workshops, through writing books, and going on mission trips as directed by the Holy Spirit in order to reach people for Christ. The most valuable commodity we possess is time. It is the currency of life. We become whatever we purchase with our time. In essence, how we use our time determines our life. In this work, Gloria Adams offers one of the most valuable contributions I have ever read on the subject, and I highly recommend it to all who want to improve their management of life's most valuable asset. Dr. Myles Munroe, Nassau, Bahamas. *Leading God's Way* Jacqueline Pridgen Howard, 2019-07-25 *Leading God's Way* was written to inspire leaders to embrace *Leading God's Way* with character, integrity, and empathy. It is chocked full of nuggets and a refreshing perspective of leadership. Whether leading small groups or large ones, the contents in this book will impact leaders' ability to enhance relationships, increase productivity, and broaden their sphere of influence. Why not be the change the world needs to see? Start with one person, one team, one organization at a time. The strategies offered will prove useful as leaders create a transformative environment of competent, confident people aspiring to do their best. Learn the many benefits of helping others reach their fullest potential. Dr. Howard believes *Leading God's Way* will help create a disciplined culture that will foster unity, trust, and increased productivity. And hopes that it will stimulate conversations and cause leadership training programs to include more emphasis on this perspective. Cultivating coaching leaders in the workplace will create stronger communities of competent, confident workers. If you are interested in transformative leadership, this book provides the strategies that you will need. **Doing Life God's Way** David L. Beckwith, 2011-05 **Beating the Clock** Kathy Walters Burns, 2014-10-06 Deadlines and demands are the fuel powering the idea that anyone with too much to do must be important. Dashing from appointments to events to commitments seems to be a coveted and exciting life. But dashing takes its toll. Life is a marathon. And dashing is a pace not designed for a marathon. At some point, dashing leaves you overwhelmed, feeling like there are not enough hours in the day. *Beating the Clock: Managing Time God's Way* explores what Scripture says about time management. You may be amazed and delighted at the practical time topics found in God's Word. Good time management lowers stress. Lower stress results in better health. Better health leads to a more enjoyable life, and well, you get the picture. Here's to enjoying your life to the fullest by learning to use your time wisely. **Two Minutes in the Bible for Men** Boyd Bailey, 2016-01-01 What is the true meaning of success in
