Think Yourself Thin in 30 days with the Thin Thoughts Journal The key to successful weight loss is not only a lifestyle change but a mind set change as well This is where this workbook comes in handy The Law of Attraction is activated by your dominant thoughts and beliefs whatever you focus on the most is what you will draw into your life The problem is that most of us tend to focus on the very things we DON T want like feeling fat unattractive imperfect broke frustrated and more Do you find yourself consistently focusing on fat thoughts Like how uncomfortable you are in your clothes Or how people must be making fun of you behind your back Or how you can t stand carrying these excess pounds for one second longer Thin Thoughts also known as power affirmations are NOT descriptions of your current situation rather they are your goals stated as if they have already been achieved They describe what you WANT rather than what you already have goals you intend to make come true for you Remember these are designed to shift reality from how it currently IS to how you WANT it to be This is NOT a diet book but an inspirational collection of 30 daily affirmations which I refer to as Thin Thoughts that are intended to be used as a tool to foster self acceptance and awareness as well as a more positive approach to weight management including coping with emotional hunger guilt perfectionism poor self esteem negative body image as well as giving you the opportunity to be present in what is going on around you and in your life The daily Thin Thoughts listed in this workbook will provide the insights and inspiration you need to begin transforming your thoughts for the better Remember when your thoughts change for the better your outer circumstances must change too The goal of this workbook is to inspire your imagination with empowering affirmations to help you on your journey to create your ideal body The Winslow Weight Watcher Thyra Samter Winslow,1953 **How to Think Yourself Thin** Deborah A.
