### **The Last One at the Wedding** Jason Rekulak, 2024-10-08 NEW YORK TIMES BESTSELLER

From the author of the runaway hit Hidden Pictures comes a stunning new work of domestic suspense Part conspiracy thriller part family drama The Last One at the Wedding kept my heart racing and my mind reeling Riley Sager The ultimate middle class Dad battles the 1% for his daughter s soul in the best thriller I ve read all year Grady Hendrix Frank Szatowski is shocked when his daughter Maggie calls him for the first time in three years He was convinced that their estrangement would become permanent He s even more surprised when she invites him to her upcoming wedding in New Hampshire Frank is ecstatic and determined to finally make things right He arrives to find that the wedding is at a private estate very secluded very luxurious very much out of his league It seems that Maggie failed to mention that she s marrying Aidan Gardner the son of a famous tech billionaire Feeling desperately out of place Frank focuses on reconnecting with Maggie and getting to know her new family But it s difficult Aidan is withdrawn and evasive Maggie doesn t seem to have time for him and he finds that the locals are disturbingly hostile to the Gardners Frank needs to know more about this family his daughter is marrying into but if he pushes too hard he could lose Maggie forever An edge of your seat thriller that delves deep into the heart of one family The Last One at the Wedding is a work of brilliant suspense from a true modern master

### Last Couple Standing Matthew Norman, 2021-03-02

A couple determined not to end up like their divorced friends try a radical experiment and get in way over their heads in this hilarious heartfelt novel from the author of We re All Damaged New York Post s Best Books to Read in Our Age of Social Isolation Matthew Norman s funny and feeling writing makes for an irresistible read Esquire Best Books of 2020 The Core Four have been friends since college four men four women four couples They got married around the same time had kids around the same time and now fifteen years later they ve started getting divorced around the same time too With three of the Core Four unions crumbling to dust around them Jessica and Mitch Butler take a long hard look at their own marriage Can it be saved Or is divorce like some fortysomething zombie virus simply inescapable To maximize their chance at immunity Jessica and Mitch try something radical Their friends divorces mostly had to do with sex having it not having it wanting to have it with other people so they decide to relax a few things Terms are discussed conditions are made and together the Butlers embark on the great experiment of taking their otherwise happy functional marriage and breaking some very serious rules Jessica and Mitch are convinced they ve hit upon the next evolution of marriage But as lines are crossed and hot bartenders pursued they each

start to wonder if they've made a huge mistake. What follows is sexy, fun, painful, messy and completely surprising to them both. Because sometimes doing something bad is the only way to get to the heart of what's really good. *Last Call* Elon Green, 2021-03-09 WINNER OF THE EDGAR AWARD FOR BEST FACT CRIME A terrific harrowing true crime account of an elusive serial killer who preyed upon gay men in the 1990s. The New York Times Editor's Pick. In this astonishing and powerful work of nonfiction, Green meticulously reports on a series of baffling and brutal crimes targeting gay men. It is an investigation filled with twists and turns, but this is much more than a compelling true crime story. Green has shed light on those whose lives for too long have been forgotten and rescued an important part of American history. David Grann, 1 New York Times bestselling author of *Killers of the Flower Moon*. The gripping true story told here for the first time of the Last Call Killer and the gay community of New York City that he preyed upon. The Townhouse Bar, midtown, July 1992. The piano player seems to know every song ever written; the crowd belts out the lyrics to their favorites and a man standing nearby is drinking a Scotch and water. The man strikes the piano player as forgettable. He looks bland and inconspicuous. Not at all what you think a serial killer looks like. But that's what he is, and tonight he has his sights set on a gray-haired man. He will not be his first victim. Nor will he be his last. The Last Call Killer preyed upon gay men in New York in the 80s and 90s and had all the hallmarks of the most notorious serial killers. Yet because of the sexuality of his victims, the skyhigh murder rates and the AIDS epidemic, his murders have been almost entirely forgotten. This gripping true crime narrative tells the story of the Last Call Killer and the decades-long chase to find him. And at the same time, it paints a portrait of his victims and a vibrant community navigating threat and resilience. *The Best American Mystery and Suspense 2023* Lisa Unger, Steph Cha, 2023-10-17 A collection of the year's best mystery and suspense short fiction selected by New York Times bestselling author Lisa Unger and series editor Steph Cha.
