*The Earth Through Time* Harold L. Levin, David T. King, Jr., 2016-06-21 *The Earth Through Time* 11th Edition by Harold L. Levin and David T. King chronicles the Earth's story from the time the Sun began to radiate its light to the beginning of civilization. The goal of *The Earth Through Time* is to present the history of the Earth and the science behind that history as simply and clearly as possible. The authors strived to make the narrative more engaging to convey the unique perspective and value of historical geology and to improve the presentation so as to stimulate interest and enhance the reader's ability to retain essential concepts long after the final exam. *The Earth Through Time* Harold L. Levin, 2009-10-05 This best-selling

historical geology text provides geologists with an excellent balance of basic geology and paleontology. The ninth edition presents rich authoritative coverage of the history of the Earth, offering the most comprehensive history in the discipline today. It maintains its strong approach to stratigraphy and paleontology that other texts have lost. The text's paleogeographic maps are excellent in detail and are a vital component in understanding the Earth's history. Stunning artwork brings the ancient world to life. Geology of National Parks boxes encourage them to visit these parks to appreciate their geological significance. Geologists will also appreciate the questions about past geologic events and the processes used in finding answers.
