*True Spirituality* Benjamin Raven Pressley, 2018-08-29 True Spirituality Just saying it brings to mind a myriad of responses and reactions some very emotionally charged and most polar opposites of each other It is said if you want to start an argument then mention religion or politics I have to agree However I propose to you that true spirituality has nothing to do with religion I think a big part of the problem is the messed up definition most of us have of what it means True spirituality has nothing to do with religion or any particular set of beliefs It is an all encompassing view of life and not denying that things are more connected than most want to accept True spirituality carries over into every aspect of your life It's not something you have to stir up pay up or wind up True spirituality is something that comes alongside everything you do every thought you think and everything you see It becomes a filter through which you view all things on a level that just makes sense

*Speaking in Tongues* Jonathan Creed,2025-09-24

Speaking in Tongues A Demonic Deception In a world hungry for spiritual experience many believers have been drawn into practices that promise divine power but deliver confusion chaos and empty emotion Speaking in tongues once a biblical gift for communication and witness has been transformed into a centerpiece of modern charismatic and Pentecostal movements often divorced from Scripture discernment and true spiritual fruit In this eye opening book you will discover the historical roots of glossolalia the warnings of Christ and the Apostles and the evidence of spiritual deception in movements that prioritize sensation over obedience Through Scripture history and case studies Speaking in Tongues A Demonic Deception exposes the dangers of chasing emotional highs instead of pursuing the narrow disciplined path of authentic Christian faith

True Spirituality Francis Schaeffer,2012-01-27 Francis Shaeffer had been serving as a pastor for over a decade when he began to wonder if Christianity really made a difference in people s lives True Spirituality a twentieth century spiritual classic outlines the result of his effort to start at the beginning and re examine his faith The book is a treasure trove of wisdom for Christians trying to discover what true spirituality looks like in everyday life Includes a foreword by Chuck Colson and an introduction by Dr Jerram Barrs director of the Schaeffer Institute      **Things I Wish Someone Would Have Told**

**Me When I Became a Christian** Benjamin Pressley,2011-03-06 The book you are about to read is about things I have learned the hard way It is just like the title says things I wish someone would have told me when I became a Christian And not just me because as I taught this I surveyed many people and asked them what they wished someone would have told them when they became a Christian Some of those responses are in this book The response was overwhelming Everyone had something to say My heart really went out to them because many of the things they wrote to me were cries of pain people really trying to live for God but struggling I will probably get accused by some when they read this book of oversimplifying things I say to that It is about time someone oversimplified things I am not impressed with people who know all the big impressive theological terminology and cannot communicate with people who genuinely want to learn But like the Word says If the trumpet give an uncertain sound who shall prepare himself to the battle 1 Corinthians 14 8 It is time to speak clearly and teach in a way that edifies all people My hope is when you read these words that you too will gain new insights and understanding in how to really pray how to really study God s Word understand adversity and more I don t claim to know it all The words I present I present humbly but I also present them with the power and authority of a Bible believing child of God The truth will set you free John 8 32 It is my desire with this book that God will use these words to set you free to be all that you were meant to be in Christ This book is great for the new Christian as well as for someone who has been a Christian for a while Churches will want to consider stocking this book to be given out to the new believer and for teaching discipleship classes

Carlos M Delgado,2025-09-16 Evangelical Christians claim to be the guardians of biblical truth They boast of defending the gospel against a hostile world of clinging to the faith once delivered in the pages of scripture But what if the opposite were true What if Evangelicalism itself is the great heresy of our age In The Heresy of Evangelical Christianity Recovering the Religion of Jesus dismantles the myths that prop up America s most influential religious movement With

precision and passion this book argues that Evangelicals do not practice the religion of Jesus they practice a religion about Jesus one obsessed with his death while ignoring his life and message From the invention of the rapture to the weaponization of biblical gender roles from the cult of biblical literalism to the unholy marriage with far right politics Evangelicalism has betrayed the radical vision of Jesus Instead of love it preaches fear Instead of justice it sanctifies domination Instead of inclusion it builds walls of exclusion and judgment Drawing on biblical scholarship and cultural analysis this book exposes how Evangelicalism distorts scripture marginalizes people and baptizes nationalism in the name of God This is not ancient faith it is a modern American invention masquerading as Christianity But this is not just a book of critique It is also a manifesto of recovery that calls readers back to the religion of Jesus himself a kingdom of justice compassion and community that stands in stark contrast to the counterfeit gospel of Evangelicalism Whether you remain within Christianity or step beyond it into humanist ethics this book offers a way forward beyond the wreckage of heresy Provocative fearless and deeply researched The Heresy of Evangelical Christianity is a clarion call for anyone who has ever felt disillusioned by Evangelical faith but still longs for a spirituality rooted in truth justice and love
