### **Try Temptation Series:**

**Try** Ella Frank, 2017-05-03 Try verb to make an attempt or effort to do something or in this case someone Sex Logan Mitchell loves it and ever since he realized his raw sexual appeal at a young age he has had no problem using it to his advantage Men and women alike fall into his bed after all Logan is not one to discriminate He lives by one motto if something interests you why not just take a chance and try And he wants to try Tate Morrison Just coming out of a four year marriage with an ex wife from hell a relationship is the last thing on Tate s mind He s starting fresh and trying to get back on his feet with a new job at an upscale bar in downtown Chicago The only problem is Tate has caught the unwavering and unwelcome attention of Mr Logan Mitchell a regular at the bar and a man who always gets what he wants Night after night Tate fends off the persistent advances of the undeniably charismatic man but after an explosive moment in the bar all bets are off as he finds his body stirring with a different desire than his mind As arrogance stubbornness and sexual tension sizzle between the two it threatens to change the very course of their lives Logan doesn t do relationships Tate doesn t do men But what would happen if they both just gave in and tried *Trust* Ella Frank, 2017-05-03 TRUST verb to believe in the reliability truth or strength of another Up until now Logan Mitchell has never had much of a reason to trust anyone Having struggled with a self identity crisis throughout college he s spent the years since then creating a sophisticated facade to present to the world It s an armor he thought was impenetrable until he met Tate Morrison The gorgeous headstrong bartender he d sat across from only months ago has taken a tight hold of his heart and Logan is discovering that it s time to let go It s time to let someone inside After years of placing his dreams on hold for his family Tate has finally chosen to do what makes him happy and follow his heart The one thing he never would ve imagined was that it would lead him into the arms of a man and not just any man the striking never takes no for an answer Logan Mitchell Tate has fallen hard and as his world is turned on its axis and they move forward together he finds his life becoming more entwined with the confident successful lawyer Even though neither man expected the other it s time to trust in their relationship but not everything comes so easily

**Tate** Ella Frank,2017-09-12 Fans of M M romances will love this story about a playboy who doesn't do relationships and a bachelor who doesn't do guys      **Tease** Ella Frank,2017-06-01 Tease verb to tantalize especially by arousing desire or

curiosity often without intending to satisfy it unless your name is Tate Morrison It's been four years since Logan Mitchell walked into Tate's life and irrevocably changed it Four years since the sexy as sin lawyer dared him to try and four years since Tate won his love Now as they approach the next chapter of their lives Logan is determined they won't end up like many of their friends Settled Domestic Boring However that's easier said than done With busy careers and working odd hours finding time for one another is becoming increasingly difficult But that shouldn't be going to fly with Logan or Tate The two of them are determined to compromise to get what it is they want and what they want is each other Tease is the sexy tantalizing continuation of the two men who stole your heart and popped your cherry      University Series Stanford

University,1915      *The Leadership Series* Rayola Kelley,2013-05-28 The three books that make up the Leadership Series were written after my friend and co laborer in the Gospel Jeannette Haley pointed out that there seemed to be much confusion surrounding godly leadership in the kingdom of God The main reason for this confusion is that many Christians consider leadership according to the world's standards Jesus even warned His followers in Matthew 20:24-27 that there is a vast difference between what the world considers to be greatness in leadership and how the kingdom of God regards leadership that is marked with the excellence of greatness As this book illustrates true leaders in God's kingdom are not born rather they are forged In order to effectively bring forth a leader such individuals must learn to recognize that which hinders them and overcome these enemies Obviously a leader cannot lead others where he or she has not yet walked The first book *Overcoming* addresses the true enemies of the cross of Christ and reveals that they do not always come from without Many such hindrances prove to be nothing more than moral deviations that are present in our character Therefore the first book identifies the true enemies of the Christian life and brings insight into what it takes to overcome each enemy Great leaders also understand how authority and power are to influence and work in their lives The second book *A Matter of Authority and Power* reveals that real leaders recognize true authority and understand how power is to be used to carry out their responsibilities This book will undo any misconceptions about these two subjects and will produce the sobriety that must be present when it comes to possessing the quality of true leadership in the kingdom of God The final book *The Dynamics of True Leadership* follows the lives of the great leaders of the Bible This book reveals the type of soul each leader possessed It explains the choices these leaders made and how it impacted the kingdom of God      *Extension Series* Purdue University.
