## Truth About O J Simpson Robbery:

**The Truth about the O.J. Simpson Robbery** Michael McClinton, 2015-12-23 When O J Simpson last visited Las Vegas to attend the wedding of a friend he didn't know he would spend the next nine years as a guest of the state Sports memorabilia most of it personal in nature had been in his possession for years Including the infamous Dodge Suit that he wore on the day he was acquitted in the murder trial Simpson didn't know where everything went but he had his suspicions When a memorabilia dealer called in late 2007 saying he knew who had stolen the merchandise and would set up a sting in Las Vegas Simpson was in Simpson assembled a small group of friends who would help him recover the memorabilia The problem was that he asked one of them to bring a gun making it an armed robbery Simpson was arrested and charged with multiple felony counts before being convicted and sentenced to a minimum of nine years in prison Others in his group made plea bargains with the state This is the account of the person responsible for providing the guns as well as court testimony from Simpson himself explaining how he did nothing wrong He followed the law and just wanted to get his stolen memorabilia back His way regardless of the consequences

**Busted!** Thomas J. Riccio, 2008 Presents the life of the author from his childhood in New Jersey through his career as a dealer in sports collectibles to his connection with O J Simpson's 2007 arrest for stealing sports memorabilia in Las Vegas

*The Story Is True, Second Edition, Revised and Expanded* Bruce

Bruce Jackson, 2022-10-01 In *The Story Is True* folklorist filmmaker and professor of English Bruce Jackson explores the ways we use the stories that become a central part of our public and private lives Describing and explaining how stories are made and used Jackson examines how stories narrate and bring meaning to our lives Jackson writes about his family and friends

acquaintances and experiences focusing on more than a dozen personal stories From oral histories to public stories such as what happened when Bob Dylan went electric at the 1965 Newport Folk Festival Jackson gets at how the truth is constantly shifting depending on the perspective memory and social meaning that is ascribed to various events both real and imaginary The book is ideal for students and writers of oral history and storytelling but goes beyond those topics to encompass how we interpret and understand the real life stories that we encounter in our daily experience This edition includes new sections on how stories are related to historical facts and new chapters on contemporary films expanding the discussion of visual storytelling and on conspiracy narratives and Trump's Big Lie Fresh examples tie together new material with the existing stories

**Room 1203** Andy Caldwell, 2017-07-19 The basis of the A E special *OJ Guilty in Vegas* an account of the notorious celebrity's downfall by the detective who led the investigation Rod knocked on the door and within a few moments the door swung open and there was O J Simpson This was and is a moment that is hard to reconcile in my mind As I stood there a detective tasked with investigating a crime and thinking I was going to conduct this interview just like any other I was a little star struck In 1995 NFL great and movie star O J Simpson beat a murder rap for the death of his wife Nicole Brown Simpson and her friend Ron Goldman But in 2007 his luck with avoiding Lady Justice ran out in Las Vegas Written by the lead

detective assigned to the case Room 1203 is the true story of the convoluted and bizarre events surrounding a violent armed robbery of a sports memorabilia collector in a Vegas hotel On that night Simpson put an exclamation mark on his spectacular fall from the height of Hollywood s glamour and glitz to a shadowy world of scams and schemers in Sin City This book provides details insights and facts not previously reported and reveals the investigation that pieced the crime together and landed an arrogant man who believed he was above the law in a Nevada prison Read it in two sittings Dispelled the idea that the robbery in Las Vegas was more of a misunderstanding than a real crime and that Simpson was merely trying to get back his own property Dennis Griffin bestselling author of *The Rise and Fall of a Casino Mobster* *Sports in America from Colonial Times to the Twenty-First Century: An Encyclopedia* Steven A. J. Simpson,2008-09-08 Get the full story in O J Simpson s own words On July 31 2007 Federal Court Judge A Jay Cristol awarded the Goldman family the rights to *If I Did It* Thus began one of the strangest odysseys in publishing history The book called one of the most chilling things I have ever read by Barbara Walters skyrocketed up bestseller lists across the country in fall 2007 as the national media relentlessly covered O J Simpson s dramatic Las Vegas arrest for armed robbery and kidnapping Originally written by O J Simpson this edition includes essays by the Goldmans and a member of the Goldman family legal team that reveal the fascinating story behind the bankruptcy case the book s publication and the looming court proceedings that would eventually lead to his conviction In 1994 Ron Goldman and Nicole Brown Simpson were brutally murdered at her home in Brentwood California O J Simpson was tried for the crime in a case that captured the attention of the American people but was ultimately acquitted of criminal charges The victims families brought a civil case against Simpson which found him liable for willfully and wrongfully causing the deaths of Ron and Nicole committing battery with malice and oppression In 2006 HarperCollins announced the publication of a book in which O J Simpson told how he hypothetically would have committed the murders In response to public outrage that Simpson stood to profit from these crimes HarperCollins canceled the book The Goldman family views the book as his confession and has worked hard to ensure that the public will read this book and learn the truth This is O J Simpson s original manuscript
