The Publishers' Trade List Annual , 1981 *Current Book Review Citations* , 1983 *Waterstone's Guide to Books* Waterstone & Co, 1988 Tsotsi Athol Fugard, 1980 Set amidst the sprawling Johannesburg township of Soweto where survival is the primary objective this novel traces six days in the life of a ruthless young gang leader Confronted with memories of his own painful childhood this angry young man begins to rediscover his own humanity dignity and capacity to love The Age of Sex Corrie Decker, 2025 As in much of the world societies in precolonial East Africa what is today Kenya Tanzania and Uganda used rites of passage to chart an individual s social and developmental progress toward adulthood Under European colonialism from the 1890s to the 1960s colonial judicial systems and the emerging genre of ethnography converged to subject African people to standardized definitions of childhood and adulthood The coexistence of rites of passage and chronological age regulations generated confusion well into the postcolonial era and the question of when childhood ends sparked extensive debate about gender race and development Corrie Decker argues that ultimately these debates came down to the age of sex The age of sex a term Decker conceptualizes in this carefully researched monograph refers to the hypothetical moment when a girl becomes a woman capable of engaging in heterosexual activity and a boy becomes a man imbued with the right and responsibility to have heterosexual intercourse Colonial ethnographic studies reduced complex precolonial rites of passage to puberty rites fixated on these sexual transformations The resulting stereotypes influenced in turn how colonial and postcolonial court officials decided age of consent and other sex crime cases
