**Life Goes Both Ways** Willy Vil, 2024-08-05 The story Life Goes Both Ways is a true story that is about a twenty year old who just finished high school from abroad and moved to the USA without his mom dad and friends Due to the speech impediment life was too difficult for him When he left he made lots of commitments to his family In the start he felt that everything was going to be easy to the point where he was going to maintain a reasonable life right away Shortly he discovered that things didn't work like that in the United States of America Some types of items ought to be done sooner before you could get yourself situated At foremost he was living with his brother J but things didn't work out nicely between the two of them In a brief time in the country he was out of his brother's home with no place to stay Luckily an elder companion of his promised him to stay in his place until he gets his life in order Therefore he jumped back and forth from position to position until he chose to go to school to construct some modifications in his life He attempted to go to school but it didn't work out for him It wasn't until he met a professor who used to teach French at a university in Paris who showed him some methods about how to write essays in the English language Ever since he observed he was doing very well in school He managed to get his associates in business entrepreneurship but then quit going to college After a few years he met his wife and they had three boys together and bought a house Due to union obligations and taking care of the children he couldn't afford to go back to school His life was focused on the children's education and work After the children graduated from college and had successful careers he decided to go back to school to finish what he started After fifty plus years during COVID time he went back to school and managed to graduate with honors He went to Purdue University Global where he got himself a degree in business administration He was an exceptional student too Information in the book showcased that life went both ways At certain times in life there would be no way out other times things would be floating smoothly At first the future didn't appear very good for the young man in this country With hard work commitment and the support of a few good people he managed to adjust certain things and at last create an exorbitant life for himself Things were challenging at the beginning but he turned a bunch of negative stuff into positive ones Nevertheless I think that we need good tutors to teach us about the facts of life In that case our parents are the ideal ones After all I believe very strongly that we should listen to our mom and dad more often because their words contain valuable lessons to teach us **THE LEADERSHIP**

**CONVERSATION - Making bold change, one conversation at a time** Rose Fass, 2022-11-23 The single factor that determines success or failure on the public stage in private interactions and in business today is the conversation Great leaders are great communicators They are consistent in their public and private conversations Experienced corporate business leader and change consultant Rose Fass confidently asserts that leadership is a conversation In her new book The Leadership Conversation Fass shows her readers how to change the conversation to change hearts and minds and ultimately to change the outcome Whether you are a politician looking to bring about much needed change a parent or family member

hoping to set loved ones on the right path or a business leader setting direction to achieve growth goals it all happens in the conversation Rose understands something too many leaders forget that big bold change happens one conversation at a time This book like her first book The Chocolate Conversation reads like a novel is filled with wisdom and straight talk all with humor and real life examples
