Your child will have every opportunity to master the alphabet. Each exercise includes step by step instruction and clear gray lines to guide your emerging writer. Comprehensive letter tracing exercises and examples. The first few steps of learning cursive are often the most difficult. That's why Cursive Handwriting Tracing Pages For Kids includes examples for each letter to help your child pick up on tracing through lowercase and capital letters of the alphabet. They'll learn proper spacing as well as how to connect the lines for each letter together. Word tracing exercises and demonstrations. After your child has learned each letter of the alphabet in cursive, section 2 brings a new challenge: tracing entire words. Your child will learn how to properly connect letters, which is often the trickiest part about learning cursive. With an understanding of how cursive flows without lifting one's pencil, your young writer will be one step closer to being able to read sentences and write their own name in cursive. Spaces to encourage independent writing. Section 2 of Cursive Handwriting Tracing Pages For Kids also provides blank spaces with any gray tracing guides which are intended to encourage your child to try writing the cursive words above on their own. Fun illustrations to accompany every exercise. Cursive Handwriting Tracing Pages For Kids includes illustrations to help your child along the way on every letter and word. Adding pictures to handwriting helps a young writer remember how to draw letters as a result of visual association (a for apple, b for bike, and so on).
