THE SOCIETY - LIFE THEN & NOW

Ajay Kumar Srivastava, 2021-08-19 This book is the baby I have nurtured with love and pain in last 35 years. My inspiration comes from reading Ramayan repeatedly which represents a glorious balanced society. The book provides a glimpse of my life and feelings about the present-day society. The story will take you through the life of two main characters: Suraj (life then) and Vineet (life now). All along, I have endeavoured to compare two generations, 50 years or so apart, in a realistic fiction form. I wish I could have written about 50 years before this also. As for the pre-climax, I have described a meeting and discussion between Suraj and Vineet where Suraj gives his views on the two societies miles apart, making Vineet curious, captivated, and impressed to the extent that he arranges a lecture for Suraj at an international platform in New York, which is also ultimately where the climax of the book occurs.
