The Knight of the Lion Annette B. Hopkins, 2017-11-06 Excerpt from The Knight of the Lion Translated and Adapted From the French of Chr tien De Troyes The story of the sources of the Clze valier an lion literally The Knight with the Lion is long uncertain and fascinating but it need not detain us here except in one feature Chr tien s romance is closely paralleled by the story of Owain or The Lady of the Fountain in the collection of the Welsh Mabinogion translated into English by Lady Charlotte Guest Their relationship is not yet fully established but the most likely supposition is that they are independent versions going back to a common non extant original About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Classical Review**, 1911

This companion to the Classical Quarterly contains reviews of new work dealing with the literatures and civilizations of ancient Greece and Rome Over 300 books are reviewed each year *French Romance, Medieval Sweden and the Europeanisation of Culture* Sofia Lodén, 2021 The adaptation of French texts into medieval Swedish reveals the progress of a Europe wide literary culture Translations of French romances into other vernaculars in the Middle Ages have sometimes been viewed as less important versions of prestigious sources rather than in their place as part of a broader range of complex and wider European text traditions This consideration of how French romance was translated rewritten and interpreted in medieval Sweden focuses on the wider context It examines four major texts which appear in both languages Le Chevalier au lion and its Swedish translation Herr Ivan Le Conte de Floire et Blancheflor and Flores och Blanzeflor Valentin et Sansnom the original French text has been lost but the tale has survived in the prose version Valentin et Orson and the Swedish text Namnls och Valentin and Paris et Vienne and the fragmentary Swedish version Riddar Paris och jungfru Vienna Each is analysed through the lens of different themes female characters children animals and masculinity The author argues that French romance made a major contribution to the Europeanisation of medieval culture whilst also playing a key role in the formation of a national literature in Sweden

**A Companion to Chrétien de Troyes** Norris J.
