Practice Issues for Professionals

JOSEPH CRUMBLEY

Transracial Adoption And Foster Care Practice Issues For Professionals

Gerald P. Mallon, Peg McCartt Hess

Transracial Adoption And Foster Care Practice Issues For Professionals:

Transracial Adoption and Foster Care Joseph Crumbley,1999 Transracial adoption and foster care has been a controversial topic throughout this decade a topic that has led to arguments and divisions between families neighbourhoods professionals and policymakers The purpose of this book is to go beyond the arguments and ask the question how do professionals help children and families make transracial adoptions and foster placements work *Social Work Practice with Lesbian, Gay, Bisexual, and Transgender People* Gerald P. Mallon,2009-06-02 A new more comprehensive edition of the classic Social Work text Although the vast majority of LGBT persons are healthy resilient and hardy individuals who do not seek social work intervention some have been or will be clients in social work agencies Social Work Practice with Lesbian Gay Bisexual and Transgender People is the updated classic text that has expanded its scope to include new content on practice with bisexual and transgender populations and incorporated this content throughout This informative book provides a knowledge base of practice that will better prepare students and practitioners for working sensitively competently and effectively with LGBT individuals The text now covers content on LGBT populations as articulated by the National Association of Social Workers NASW and the Council on Social Work Education CSWE Comprehensive and practical this unique text discusses the pragmatic aspects of social work with lesbian gay bisexual and transgender people It will improve and reinforce competent practice with LGBT persons and their families in multiple settings Chapters focus on important topics such as the profession s core values and ethical principles identifying analyzing and resolving ethically challenging practice problems LGBT persons of color heterosexism racism and sexism applying the life model and the stress coping process the root of conflicts in allegiances and pressures for unity via homogeneity practice with bisexual transgender and gender non conforming persons sexual conversion therapy traditional psychoanalytic notions of lesbian couples the impact of sexual abuse on lesbian couples internalized homophobia heterocentrism and gay identity group work practice with the LGBTQ community clinical assessment for families where sexual orientation is an issue LGBT parenting the role of health care and many more Complete with a highly detailed appendix of symbols definitions and terms Social Work Practice with Lesbian Gay Bisexual and Transgender People is an invaluable resource for social workers and mental health professionals as well as for students and educators at all levels of experience *Child Welfare for the Twenty-first Century* Gerald P. Mallon,Peg McCartt Hess,2014-02-18 The Adoption and Safe Families Act ASFA which became law in 1997 elicited a major shift in federal policy and thinking toward child welfare emphasizing children s safety permanency and well being over preserving their biological ties at all costs The first edition of this volume was the earliest major social work textbook to map the field of child welfare after ASFA s passage detailing the practices policies programs and research affected by the legislation s new attitude toward care This second edition highlights the continuously changing child welfare climate in the U S including content on the Fostering Connections Act of 2008 Gerald P Mallon and Peg McCartt Hess have updated the text throughout

drawing from real world case examples using data obtained from the national Child and Family Services Reviews and emerging empirically based practices They have also added chapters addressing child welfare workforce issues supervision and research and evaluation Divided into four sections child and adolescent well being child and adolescent safety permanency for children and adolescents and systemic issues within services policies and programs this newly edited volume provides a current understanding of family support and child protective services risk assessment substance and sexual abuse issues domestic violence issues guardianship reunification kinship and foster family care adoption and transitional living programs Recognized scholars practitioners and policy makers also discuss meaningful engagement with families particularly Latino families health care for children and youth including mental health care effective practices with LGBT youth and their families placement stability foster parent recruitment and retention and the challenges of working with immigrant children youth and families Resources in Education ,1999 Brothers and Sisters in Adoption Arleta James,2012-02-15 What about the kids already there How do they do when a child with a challenging past joins a family by adoption When experienced parents decide to adopt an older child or a sibling group they jump through all kinds of bureaucratic hoops background checks interviews group meetings reading assignments classes etc But most often the typically developing children these adults are already parenting whether through birth or adoption are left out of the process informed that a new kid is coming and simply expected to adjust to the addition of another sibling The addition of a child with a history of neglect or trauma cannot be a seamless transition The expectations of everyone involved parents new siblings and yes professionals facilitating the adoption must be realistic taking into account that the new child will need special attention that may take away time and attention from the already resident kids that family life is likely to be turned topsy turvy until appropriate counseling and support are in place that relationships will change Therapist Arleta James is certainly not the first person to recognize this but she is the first to do something about it Brothers and Sisters in Adoption offers insights and examples and sturdy practical proven tools for helping newly configured families prepare accept react and mobilize to become a new and different family meeting the practical physical and emotional needs of all its members These well prepared and supported families are the ones who thrive Policy & Practice ,2000 Policy & Practice of Public Human Services ,1998 Child Welfare and Family Services Susan Downs,2004 Child Welfare and Family Services Policies and Practice Seventh Edition Susan Whitelaw Downs Wayne State University Ernestine Moore Wayne State University Emily Jean McFadden Grand Valley State University Susan Michaud University of Wisconsin Madison Lela B Costin late Professor Emeritus University of Illinois at Urbana Champagne This thorough revision of Child Welfare and Family Services reflects current issues controversies and innovative practice methods in family and child services Features of the Seventh Edition Comprehensive coverage of issues including juvenile justice advocacy U S Supreme Court decisions federal legislation such as AFSA and TANF and statistical updates places content and practice methods in a strong legal context Numerous case studies suggestions for additional

study and further discussions and internet sites at end of each chapter allow students to further expand interest in and research on each issue New and updated material on child well being child outcome measures new approaches to ensuring child safety child welfare in a global context issues relating to immigrants and refugees cultural competence such as services to gay lesbian children and families and the relationship of substance abuse and domestic violence to child welfare New Discovering U S History Online pedagogy at the end of each chapter provides a list of suggested Web sites for additional study and research New information on forensic interviewing and documentation for court in Chapter 6 applies and explains skills that all child welfare practice professionals need for the field New model combining family continuity and concurrent planning on Chapter 9 helps students understand the relationship between these concepts New charts tables and cases in the text act as handy references to students for everything from federal legislation and juvenile justice to child outcome accountability and advocacy techniques What reviewers thought of Child Welfare and Family Services I adopted this text because it creates a basis for understanding children and families in the United States discusses general supportive services and then approaches the complexity of child welfare I also find it well researched and comprehensive Martha G Roditti San Francisco State University I have enjoyed using this text It has impressed me how thorough each topic is covered It is a user friendly text and has many case vignettes Monique Busch Indiana University Special Value Pack Option You can order this text packaged with a FREE Research Navigator for the Helping Professions guide which features a free password for access to an array of online sources This new Pearson Learning product helps students and instructors find credible and reliable material for research assignments and papers

Mixed Feelings Gina E. Miranda,2002

Making Cultural

Connections Jeanne M. Costa,2003 Explores hair and skin care for children of African descent It has been written for foster and adoptive families who are not of African descent but who are looking after children who are

Foundations of Social

Policy Amanda Smith Barusch,2006 This book is designed for use in foundation policy courses at the master s level It may also be appropriate for advanced students at the bachelor s level The book provides an introduction to U S social policy It introduces a framework for determining when a society will develop collective responses to social problems It also introduces theories of oppression and focuses on policy practice Pref

American Book Publishing Record ,1992

Parenting in

Transracial Adoption Jane Hoyt-Oliver Ph.D.,Hope Haslam Straughan Ph.D.,Jayne E. Schooler,2016-02-12 An essential resource for transracially adoptive parents and the professionals who serve them this book offers practical strategies for helping a transracially adopted child through the challenges he or she may face Anchored in a qualitative study of parents who have adopted children identified as being of a different race this book draws from real life experiences to raise and respond to questions that arise before during and after transracial adoption Its goal to help adoptive parents and child welfare professionals understand the underlying racial challenges in a transracial adoption so they can help their children cope The book addresses questions from the obvious for example how to respond to comments from family and community

members to the practical how a Caucasian mother can learn to help her African American daughter groom her hair Topics include parental understanding of race while growing up parental understanding of the challenges within the community and communicating within the adoptive family The book also shares advice from practitioners about preparing and supporting families in transracial adoption A highlight of this book is a chapter written by three adult adoptees who grew up within transracial families Equipped with the information in this helpful volume readers will be prepared to parent in ways that empower rather than impede their child s social emotional and identity development This book will enable children welfare professionals to better help and support parents involved in these processes **Transracial Adoption** Kevin Harris,1985

Youth Law News ,1999 *Recommended Promotions to the Ranks of Professor and Associate Professor* University of Michigan. Office of the Provost and Vice President for Academic Affairs,2002 Resources in Education ,1997 *Principles and Practice of Child and Adolescent Forensic Psychiatry* Diane H. Schetky,Elissa P. Benedek,2002 This practical textbook is a step by step guide that walks clinicians through the often confusing world of depositions and courtroom testimony The editors bring clarity and coherence to these complex and often highly charged clinical and legal issues by emphasizing evidence based research within an easy to read outline format Diane H Schetky M D and Elissa P Benedek M D *Principles and Practice of Child and Adolescent Forensic Psychiatry* *Principles and Practice of Child and Adolescent Forensic Psychiatry*

Taking Sides Robert Louis DelCampo,Diana S. DelCampo,2001-09 This debate style reader is designed to introduce students to current controversies in childhood and society The readings which represent the arguments of leading child behaviorists and social commentators reflect a variety of viewpoints and are presented in pro con format Social Service Abstracts ,1993
