The Donut Trap Julie Tieu, 2021-11-09 Julie Tieu sparkles in this debut romantic comedy which is charmingly reminiscent of the TV show *Kim's Convenience* and *Frankly in Love* by David Yoon about a young woman who feels caught in the life her parents have made for her until she falls in love and finds a way out of the donut trap. Jasmine Tran has landed herself behind bars, maple bars, that is. With no boyfriend or job prospects, Jasmine returns home to work at her parents' donut shop. Jasmine quickly loses herself in a cyclical routine of donuts, Netflix and sleep. She wants to break free from her daily grind but when a hike in rent threatens the survival of their shop, her parents rely on her more than ever. Help comes in the form of an old college crush, Alex Lai. Not only is he successful and easy on the eyes to her parents' delight, he's also Chinese. He's everything she should wish for until a disastrous dinner reveals Alex isn't as perfect as she thinks. Worse, he doesn't think she's perfect either. With both sets of parents against their relationship, a family legacy about to shut down and the reappearance of an old high school flame, Jasmine must scheme to find a solution that satisfies her family's expectations and can get her out of the donut trap once and for all. Fake is great fun, offering a peek into a world of glitz that most of us will never glimpse firsthand. Washington Post. From the author of *The Boys Club*, a gripping novel set in the high-stakes world of art forgery that moves across the globe from the trendy art galleries of Manhattan's Chelsea neighborhood to the high-flying international art fairs of Hong Kong. Can you spot the difference? Emma Caan is a fake. She's a forger, an artist who specializes in nineteenth-century paintings. But she isn't a criminal; her copies are commissioned by museums and ultra-wealthy collectors protecting their investments. Emma's more than mastered a Gauguin brushstroke and a van Gogh wheat field, but her work is sometimes a painful reminder of the artistic dreams she once chased for herself when she was younger and before her family and her world fell apart. When oligarch art collector Leonard Sobetsky unexpectedly appears with an invitation, Emma sees a way out, a new job, a new path for herself and access to the kind of money she needs to support her unstable and recently widowed mother. But every invitation incurs an obligation, and Emma isn't prepared for what's to come. As she's pulled further into Leonard's opulent scene, she will discover what's lurking beneath the glitz and glamour. When she does, the past she's worked hard to overcome will collide with the present, making her wonder how much of her carefully curated life is just as fake as her forgeries.
